3. PRODUCT OVERVIEW

The GOBOULT x Mustang Derby Earbuds are designed for a premium audio experience, featuring 13mm bass drivers for rich sound and Bluetooth 5.4 for stable connectivity. The earbuds are IPX5 water-resistant, making them suitable for various activities. The charging case and earbuds feature a distinctive Mustang Derby design.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C charging cable to the charging port on the case and a compatible USB power source. The charging time for a full charge is approximately 90 minutes. A fully charged case provides up to 100 hours of total playtime with the earbuds.

4.2 Initial Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "GOBOULT Mustang Derby" from the list.
4. Once connected, you will hear a confirmation tone.

4.3 Dual Device Pairing

The earbuds support simultaneous connection to two devices. This allows for seamless switching between audio sources without manual re-pairing.

1. Pair the earbuds with your first device as described in section 4.2.
2. Disconnect the earbuds from the first device's Bluetooth settings.
3. Pair the earbuds with your second device.
4. Reconnect the earbuds to the first device. The earbuds will now be connected to both devices.
5. Audio will automatically switch to the device currently playing sound.

4.4 App Support

Enhance your experience by downloading the dedicated GOBOULT app. The app allows you to:

- Custom-tune your audio with multi-EQ modes.
- Assign custom gestures to your earbuds.
- Utilize the Quick Cleanup feature for optimal performance.
- Rename your earbuds and personalize audio settings.

5. OPERATING THE EARBUDS

5.1 Touch Controls

The earbuds feature intuitive touch controls for managing various functions. Specific gestures can be customized via the GOBOULT app.

Action	Function
Single Tap	Play/Pause Music, Answer/End Call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track
Triple Tap (Left Earbud)	Volume Down

Action	Function
Triple Tap (Right Earbud)	Volume Up
Long Press (2 seconds)	Activate Voice Assistant / Reject Call

5.2 Call Management

The earbuds are equipped with 4 Environmental Noise Cancellation (ENC) microphones to ensure clear calls even in noisy environments.

- **Answering/Ending Calls:** Single tap either earbud.
- **Rejecting Calls:** Long press either earbud for 2 seconds.

Image: Close-up of an earbud showing the Zen™ Quad Mic ENC technology for crystal clear calling.

5.3 Gaming Mode

Activate the 45ms Low Latency Gaming Mode for a synchronized audio-visual experience during gaming. This mode minimizes audio delay, providing a competitive edge.

- **Activation:** Refer to the GOBOULT app for specific gesture customization or check the user manual for default activation.

5.4 Voice Assistant

Access your device's voice assistant (Amazon Alexa, Google Assistant, Siri) by long-pressing either earbud for 2 seconds.

6. MAINTENANCE

6.1 Cleaning

Regular cleaning helps maintain optimal sound quality and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the ear tips regularly. They can be removed and rinsed with water, then dried completely before reattaching.
- Ensure charging contacts on both earbuds and case are clean and dry.

The earbuds have an IPX5 water resistance rating, meaning they are protected against low-pressure water jets from any direction. However, the charging case is not water-resistant. Do not submerge the earbuds or expose them to strong water streams.

6.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter any issues with your GOBOULT x Mustang Derby Earbuds, refer to the following common solutions:

Problem	Solution
---------	----------

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Place earbuds back in case, close, then reopen to re-enter pairing mode.
Only one earbud working	Place both earbuds back in the charging case, close the lid, wait a few seconds, then open again. Ensure both earbuds are charged.
Low volume or poor sound quality	Clean the ear tips and speaker mesh. Adjust volume on both your device and the earbuds. Ensure ear tips provide a good seal in your ear canal.
Earbuds not charging	Ensure the charging cable is securely connected. Check if the charging case has power. Clean the charging contacts on both earbuds and case.
Bluetooth connection unstable	Ensure you are within the 10-meter Bluetooth range. Avoid obstacles between your device and earbuds. Disconnect and reconnect the earbuds.

If the issue persists, please refer to the Warranty and Support section for further assistance.
