

Bestier BDCF

Bestier 63 Inch Gaming Desk with Power Outlets & LED Lights User Manual

Model: BDCF | Brand: Bestier

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bestier 63 Inch Gaming Desk. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

SAFETY INFORMATION

- Exceeding the weight limit may affect stability. The maximum weight recommendation is 130 pounds.
- Ensure proper assembly with provided tools.
- Secure the desk to the wall if necessary to prevent tipping.
- Be cautious when handling electrical components.
- Ensure proper ventilation to avoid overheating of electronic devices.
- All assembly tools are included.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk Panels (Main desktop, monitor stand components, keyboard tray)
- Metal Frame Components (Legs, support bars, brackets)
- Integrated Power Outlet (4 AC outlets, 2 USB ports, 6.5ft power cord, ON/OFF switch)
- LED Lights (with controller)
- Accessories (Cup holder, headphone hook, adjustable foot pads)
- Assembly Hardware (Screws, dowels, wrench, screwdriver)

SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. It is recommended to assemble the desk on a soft, clean surface to

prevent scratches.

Step 1: Prepare the Monitor Stand with LED Lights

Attach the LED light strip to the designated panel of the monitor stand using the provided clamps and screws. Ensure the wiring is neatly tucked away.

OPERATING INSTRUCTIONS

Power Outlets

The desk features a built-in charging station with 4 AC outlets and 2 USB ports. Use the ON/OFF switch to control power to these outlets. This allows convenient charging for phones, tablets, and other devices.

LED Lights

The integrated LED lights offer 7 color options and 22 dynamic modes. Use the inline controller to cycle through colors, modes, and adjust brightness. Connect the LED lights to one of the USB ports on the power outlet for functionality.

Moveable Monitor Stand

The monitor stand is designed for ergonomic viewing and can be moved along the desktop to suit your preference. It provides an elevated surface for your monitor, freeing up desk space.

Pull-out Keyboard Tray

The keyboard tray slides in and out smoothly, accommodating full-size keyboards and a mouse. It can also serve as a storage drawer to maximize desktop area.

Cup Holder and Headset Hook

The desk includes a convenient cup holder and two headset hooks, which can be attached to either side of the desk for easy access and organization.

MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a damp cloth, then dry with a clean, dry cloth. Avoid abrasive cleaners.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight.
- **Electrical Safety:** Inspect the power cord and outlets for any signs of damage. Discontinue use if damage is found and contact customer support.

TROUBLESHOOTING

- **LED Lights Not Working:** Ensure the USB cable is securely plugged into both the LED strip and a functioning USB port on the power outlet. Check the power outlet's ON/OFF switch.
- **Power Outlets Not Functioning:** Verify the desk's main power cord is securely plugged into a live wall outlet and the power outlet's ON/OFF switch is in the 'ON' position.
- **Desk Wobbles:** Check all assembly screws for tightness. Adjust the foot pads at the bottom of the legs to level the desk on uneven surfaces.

SPECIFICATIONS
