WHAT'S IN THE BOX

- Blackview Smart Watch R30Pro
- Silicone Watch Band
- Nylon Watch Band
- Charging Cable
- User Manual

SETUP

1. App Download and Device Pairing

1. **Download the App:** Scan the QR code displayed on your watch screen or search for the 'Da Fit' app in your smartphone's app store (available for iOS and Android).

- 2. Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
- 3. Pair Device:** Open the 'Da Fit' app, navigate to the device section, and select 'Add Device'. Choose 'R30Pro' from the list of available devices.
- 4. Confirm Pairing:** Accept the Bluetooth pairing request on both your smartphone and the watch.

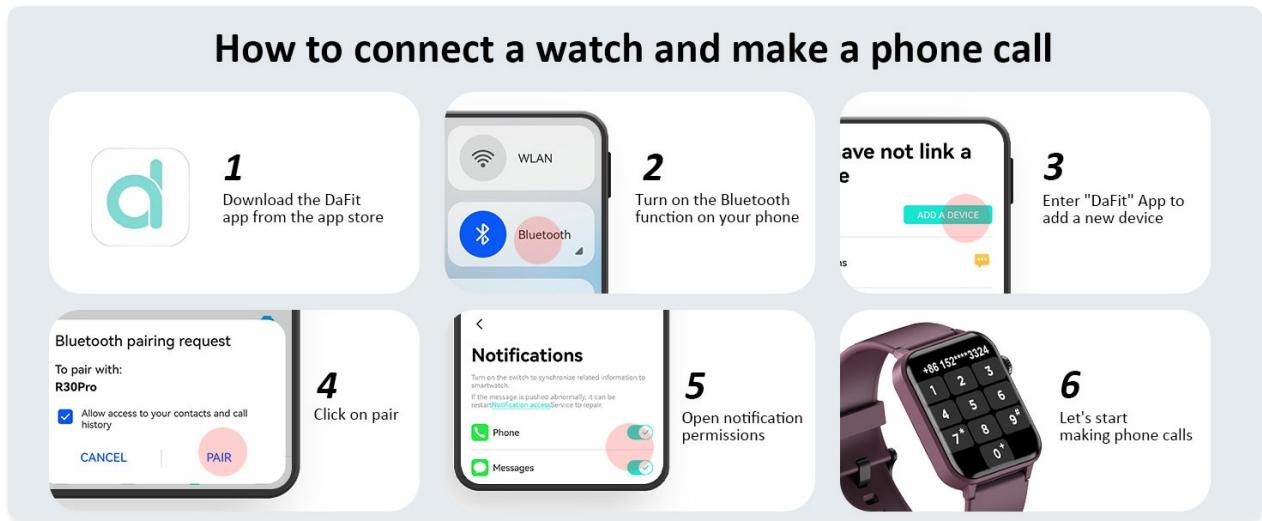

Image: Visual guide demonstrating the steps to connect the smart watch and enable calling features via the Da Fit app.

2. Bluetooth Call Functionality

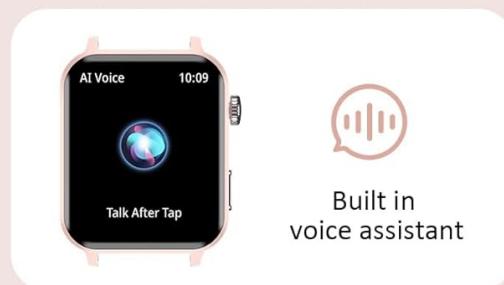

After successful pairing, enable the Bluetooth call function:

- 1. Grant Permissions:** Within the 'Da Fit' app, ensure all necessary permissions for calls, contacts, and notifications are granted.
- 2. Activate Call Feature:** The watch will prompt you to connect to the phone's Bluetooth for calls. Confirm this connection.
- 3. Make/Answer Calls:** You can now answer incoming calls or dial numbers directly from your watch.

OPERATING INSTRUCTIONS

1. Basic Navigation

- **Swipe Up/Down:** Access quick settings or notifications.
- **Swipe Left/Right:** Navigate through widgets like activity data, heart rate, weather, etc.
- **Tap:** Select an icon or option.
- **Side Button:** Press to return to the home screen or wake the device.

2. Health Monitoring

The R30Pro smart watch provides comprehensive health tracking features:

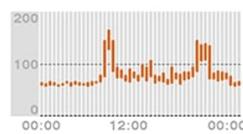

- **Heart Rate Monitoring:** Tracks your heart rate 24/7. View real-time data on the watch or detailed trends in the 'Da Fit' app.
- **Blood Oxygen (SpO2) Monitoring:** Measures your blood oxygen levels.

- **Sleep Tracking:** Monitors your sleep patterns, including awake, light, REM, and restful sleep stages.
- **Stress Level Measurement:** Helps you understand and manage your physical well-being.
- **Menstrual Cycle Recording:** A dedicated function for women to track and predict menstrual cycles.

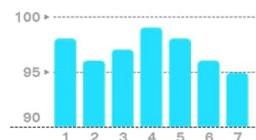

Manage your health 24 hours a day

MAINTENANCE

1. Charging

The R30Pro is equipped with a 300mAh battery. A full charge takes approximately 2 hours, providing up to 7 days of typical usage and around 30 days on standby. Use the provided charging cable and connect it to a standard USB power source.

2. Water Resistance

The device is IP68 waterproof, suitable for daily wear and activities like hand washing or light rain. **Important:** It is not suitable for sauna, hot water, swimming, or diving. Exposure to hot water or steam may damage the device.

3. Cleaning

Wipe the watch screen and strap regularly with a soft, dry cloth. If necessary, use a slightly damp cloth for cleaning, then dry thoroughly. Avoid using harsh chemicals or abrasive materials.

TROUBLESHOOTING

- **Device not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then try pairing again via the 'Da Fit' app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, about one finger's width from your wrist bone. Clean the sensors regularly.
- **Notifications not received:** Check app permissions in your phone settings and within the 'Da Fit' app to ensure notifications are enabled for the desired applications.
- **Bluetooth call issues:** Verify that the watch is connected for calls in your phone's Bluetooth settings (often listed as a separate connection from the app pairing).

If issues persist, refer to the 'Da Fit' app's help section or contact Blackview customer support.
