## 4. SETUP AND ASSEMBLY

Follow these steps to assemble your Armrest Module and integrate it into your modular sofa configuration.

### 4.1 Attaching the Legs

1. Carefully unbox the armrest module and place it upside down on a soft, clean surface to prevent damage.
2. Locate the pre-drilled holes on the bottom corners of the module.
3. Align each wooden leg with a pre-drilled hole and screw it in clockwise until secure. Ensure all four legs are tightly fastened.

### 4.2 Connecting Modules (if applicable)

1. Position the armrest module next to another module (e.g., middle module or ottoman) in your desired configuration.
2. Locate the connection plates on the sides of the modules.
3. Align the connection plates and slide them together to interlock the modules. Ensure a snug fit.
4. Once connected, place the back cushion onto the armrest module.
