ASSEMBLY INSTRUCTIONS

Assembly of the Bingo Keeppley Pokemon Mini Meowth B0103 building set is required. Please follow the step-by-step visual instructions provided within the included physical instruction manual. Ensure all pieces are correctly identified and connected as shown.

1. Unpack all building pieces from the packaging.
2. Sort pieces by color or shape if desired, to facilitate easier assembly.
3. Refer to the detailed diagrams in the physical instruction manual to connect the pieces in the specified order.
4. Ensure each connection is firm and secure.
5. If a piece does not fit, do not force it. Double-check the manual to ensure you are using the correct piece and orientation.

OPERATING AND DISPLAYING

Once assembled, your Bingo Keeppley Pokemon Mini Meowth model is ready for display or gentle play. The model is designed for static display and light interaction.

- Place the assembled model on a stable, flat surface.
- Avoid dropping the model or applying excessive force, as this may cause pieces to detach.
- Keep the model away from direct sunlight and extreme temperatures to prevent material degradation.

MAINTENANCE

To keep your Bingo Keeppley Pokemon Mini Meowth building set in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust.

TROUBLESHOOTING

If you encounter any issues during assembly or with your completed model, consider the following:

- **Missing Pieces:** Carefully check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, please contact customer support.
- **Assembly Difficulties:** Re-examine the instruction manual's diagrams for the specific step you are on. Sometimes, a piece may appear similar to another but has a subtle difference in connection points.
- **Loose Connections:** Ensure pieces are pressed firmly together until they click or feel secure.
