# Bingo Keeppley K20203 Pikachu Team Galactic Building Set Instruction Manual

Model: K20203

## 1. INTRODUCTION

---

Thank you for choosing the Bingo Keeppley K20203 Pikachu Team Galactic Building Set. This manual provides essential information for assembling, operating, and maintaining your building set. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable experience. This building set features a popular Pokémon character, Pikachu, in a Team Galactic theme. The design incorporates movable ears and a tail. All patterns and graphics are printed directly onto the blocks, eliminating the need for stickers and preventing creasing or fading over time.

## 2. SAFETY INFORMATION

---

- **Recommended Age:** This product is suitable for individuals 6 years and up.
- **Small Parts Warning:** This set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play for younger users.
- **Material:** The building blocks are made from plastic. Do not ingest any parts.
- **Assembly Required:** Yes, this product requires assembly.

## 3. PACKAGE CONTENTS

---

Before starting assembly, please verify that all components are present. The package should contain:

- Assorted plastic building blocks required for the Pikachu Team Galactic model.
- One instruction booklet with detailed assembly steps.

## 4. SETUP AND ASSEMBLY

Assembly duration is approximately 30-60 minutes. Follow the step-by-step instructions provided in the included instruction booklet. Ensure each block is securely connected to prevent the model from falling apart.

1. **Unpack Components:** Carefully open the package and lay out all the building blocks. It is recommended to sort blocks by color or size to facilitate assembly.
2. **Follow Booklet:** Refer to the detailed diagrams in the instruction booklet. Each step will guide you on which blocks to use and where to place them.
3. **Secure Connections:** Press blocks firmly together to ensure a stable connection.
4. **Movable Parts:** Pay close attention to the sections involving the ears and tail, as these are designed

to be movable. Ensure they are assembled correctly to allow for articulation.

**Image 4.1:** Front view of the fully assembled Pikachu Team Galactic model. It shows Pikachu wearing a white and grey Team Galactic uniform, with its signature yellow body and black-tipped ears.

**Image 4.2:** A slightly different front perspective of the assembled Pikachu Team Galactic model, highlighting the facial features and the Team Galactic emblem on its chest.

**Image 4.3:** Side view of the assembled Pikachu Team Galactic model, showcasing the movable tail component and the block construction from a different angle.

## 5. OPERATING THE MODEL

---

Once assembled, your Pikachu Team Galactic model features articulated parts:

- **Movable Ears:** Gently adjust Pikachu's ears to different positions. They are designed to rotate or pivot slightly.
- **Movable Tail:** The tail component can also be repositioned. Handle with care to avoid detaching it from the main body.

These movable features allow for dynamic display and interaction with the model.

## 6. MAINTENANCE

---

Proper care will ensure the longevity of your building set.

- **Cleaning:** To clean the blocks, gently wipe them with a soft, slightly damp cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic or printed patterns.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent material degradation and color fading.
- **Disassembly:** If disassembling, do so carefully to avoid stressing or breaking the connection points of the blocks.

## 7. TROUBLESHOOTING

- **Missing Parts:** If you find any missing blocks or components, please contact the manufacturer's customer support with your product model number (K20203) and a description of the missing part.
- **Assembly Difficulties:** If you encounter difficulties during assembly, re-examine the instruction booklet's diagrams carefully. Ensure blocks are oriented correctly and pressed firmly into place. Sometimes, a small amount of force is needed for secure connections.
- **Loose Connections:** If parts feel loose after assembly, gently press them together again. Over time, repeated handling might slightly loosen connections.
