5. OPERATION

Once assembled, the Bingo Keeppley Pokémon Pikachu Mini Bus K20206 is ready for display or imaginative play. This model is a static building toy and does not require batteries or external power sources.

- **Display:** Place your assembled model on a stable surface for display.
- **Play:** The wheels are designed to roll, allowing for manual movement across smooth surfaces. Avoid excessive force or dropping the model to prevent damage.
- **Interaction:** The set is designed to be interactive, allowing for creative play scenarios within the Pokémon universe.

6. MAINTENANCE

Proper care will help maintain the appearance and integrity of your building set.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Disassembly:** If disassembling the model, do so carefully to avoid damaging the connection points of

the bricks.

7. TROUBLESHOOTING

This section addresses common issues you might encounter during assembly or use.

Problem	Possible Cause	Solution
Missing pieces	Packaging error or pieces misplaced during unboxing/sorting.	Carefully check all packaging materials. If still missing, contact customer support (see Section 9).
Difficulty connecting bricks	Incorrect orientation, debris in connection points, or not enough force applied.	Ensure correct orientation as per instructions. Check for obstructions. Apply firm, even pressure.
Model is unstable	Bricks not fully connected or an assembly step was missed/incorrect.	Review previous assembly steps in the instruction booklet. Ensure all connections are secure.
