TRIXIE Convertible Lite Dog Car Seat (Model 13207) Instruction Manual

1. INTRODUCTION

This manual provides essential instructions for the safe and effective use of your TRIXIE Convertible Lite Dog Car Seat. Designed for small dogs, this booster seat enhances pet safety and comfort during vehicle travel. It features a built-in safety tether, secure seatbelt straps, and a raised design for improved visibility. The durable, water-resistant nylon fabric and washable cushion ensure ease of maintenance.

2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure the well-being of your pet and vehicle occupants:

- This product is intended for pet use only.
- Always secure your pet to the internal safety tether by attaching it to their collar or harness.
- Ensure the car seat is firmly secured to the vehicle seat using the provided seatbelt straps before each use.
- Do not use this car seat as a primary restraint system for humans.
- Regularly inspect the car seat for any signs of wear or damage. Discontinue use if damage is present.

3. PACKAGE CONTENTS

Verify that all components are present in the package:

- TRIXIE Convertible Lite Dog Car Seat
- Instruction Manual

4. SETUP INSTRUCTIONS

Follow these steps to set up your TRIXIE Convertible Lite Dog Car Seat:

1. **Unpack the Car Seat:** Carefully remove the car seat from its packaging. The side panels may be folded flat for

shipping.

2. **Assemble (if necessary):** The car seat is largely pre-assembled. If the side panels are folded, gently raise them to form the booster seat shape. Ensure the inner cushion is properly placed inside the seat.

Image 4.1: The car seat can be folded for compact storage or initial setup.

3. **Position in Vehicle:** Place the car seat on the desired vehicle seat (front or rear). Ensure it is stable and does not obstruct the driver's view or vehicle controls.
4. **Secure with Seatbelt Straps:** Utilize the adjustable nylon straps and buckles located on the car seat. Loop the vehicle's seatbelt through the designated loops on the car seat and fasten the seatbelt securely. Tighten the car seat straps to ensure a snug fit against the vehicle seat.

Image 4.2: Side view illustrating the adjustable straps and buckles for securing the car seat.

5. **Adjust Safety Tether:** The car seat includes an internal safety tether. Adjust its length to allow your pet comfortable movement while preventing them from jumping out of the seat.

Image 4.3: Feature diagram showing the safety tether, anti-slip bottom, durable straps, removable cushion, and water-resistant fabric.

5. OPERATING INSTRUCTIONS

Once the car seat is installed, follow these steps for use:

1. **Place Pet in Seat:** Gently place your dog into the car seat. The fold-down side panels facilitate easy entry and exit for your pet.
2. **Attach Safety Tether:** Clip the internal safety tether to your pet's collar or harness. Ensure the tether is snug but allows your pet to sit or lie down comfortably.
3. **Monitor Pet:** During travel, periodically check on your pet to ensure they remain comfortable and secure. The raised design allows your pet to view outside the window, which can reduce anxiety.
4. **Utilize Storage:** The side pocket can be used to store small items such as treats, toys, or a leash.

Image 5.1: A small dog secured and comfortable in the car seat during a ride.

6. MAINTENANCE AND CARE

Proper care will extend the life of your TRIXIE Convertible Lite Dog Car Seat:

- **Cushion Cleaning:** The inner cushion is removable and washable. It can be hand washed or machine washed according to fabric care instructions.
- **Fabric Cleaning:** The durable, water-resistant nylon fabric can be easily wiped clean with a damp cloth and mild detergent. Allow to air dry completely before reassembly or storage.
- **Storage:** When not in use, the car seat can be folded flat for convenient storage.

7. TROUBLESHOOTING

Refer to the following for common issues and solutions:

- **Issue: Car seat slides on smooth vehicle seats.**
Solution: Ensure the anti-skid bottom is clean and properly positioned. Verify that the vehicle's seatbelt is threaded through the car seat's loops and tightened securely.
- **Issue: Pet is not adequately secured.**
Solution: Confirm the internal safety tether is attached to your pet's collar or harness and adjusted to an appropriate length. Re-check that the car seat itself is firmly secured to the vehicle seat.
- **Issue: Difficulty placing pet into the seat.**
Solution: Utilize the fold-down side panels to create a lower entry point for your pet. Gently guide your pet into the seat.

8. PRODUCT SPECIFICATIONS

Feature	Detail
