# vidaXL Aviary with Extension (Model 3214267)

## Galvanized Steel Parrot Cage Instruction Manual

### 1. INTRODUCTION

This manual provides essential information for the safe and effective assembly, operation, and maintenance of your vidaXL Aviary with Extension. This galvanized steel aviary is designed to offer a secure and spacious environment for various animals, including birds, ducks, chickens, geese, and rabbits.

Constructed from exceptionally hard and strong galvanized steel, the aviary ensures sturdiness, stability, and enhanced protection against harsh outdoor environments. The steel mesh grids are designed to prevent unintended escapes and provide clear visibility of your animals, while allowing ample fresh air circulation.

### 2. SAFETY INFORMATION

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions in this manual.
- **Adult assembly required:** Assembly of this product requires adult supervision and assistance.
- **Secure placement:** Ensure the aviary is placed on a flat, stable surface to prevent tipping. Consider anchoring for additional stability, especially in windy conditions.
- **Regular inspection:** Periodically check all parts for wear, damage, or loose connections. Replace damaged parts immediately.
- **Animal safety:** Always ensure all doors and latches are securely closed to prevent animals from escaping or predators from entering.
- **Ventilation:** Ensure adequate ventilation within the aviary.

### 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included parts list for detailed identification.

- Galvanized steel frame components
- Steel mesh panels
- Hinged door with lockable system

- Assembly hardware (screws, bolts, nuts, etc.)
- Instruction manual

## 4. SETUP AND ASSEMBLY

Assembly of the vidaXL Aviary is required. It is recommended to have at least two adults for efficient and safe assembly. Follow the step-by-step instructions provided in the separate assembly guide included with your product.

### General Assembly Steps:

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify all frame pieces and mesh panels according to the assembly guide.
3. Assemble the base frame first, ensuring all connections are secure.
4. Attach the side and back mesh panels to the base frame.
5. Install the roof sections, ensuring proper alignment and secure fastening.
6. Attach the hinged door, verifying that the lockable system functions correctly.
7. Double-check all bolts and screws to ensure they are tightened securely.

The overall dimensions of the assembled aviary are 164.8" x 42.1" x 83.5" (W x D x H).

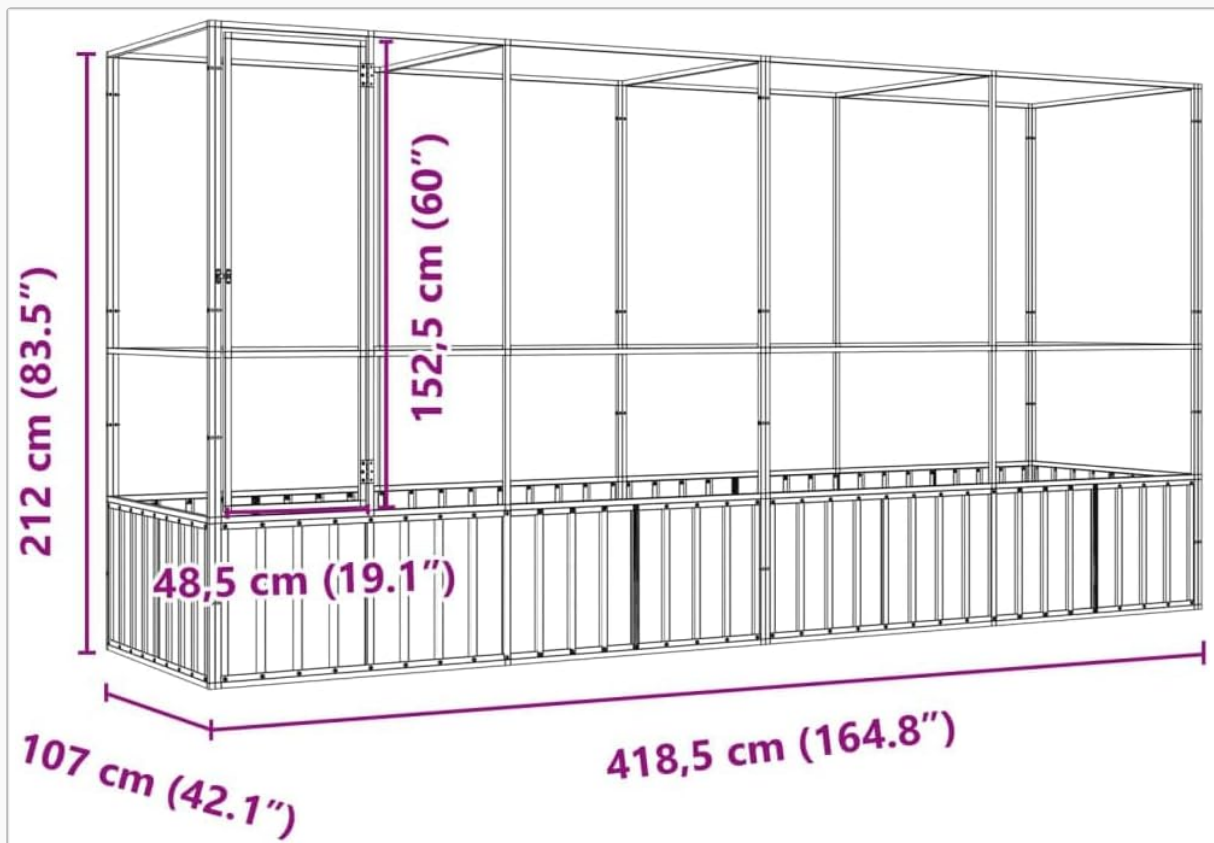

Figure 1: Aviary Dimensions Diagram. This diagram illustrates the overall width, depth, and height of the aviary, along with the dimensions of the main access door.

## 5. OPERATING INSTRUCTIONS

The vidaXL Aviary is designed for ease of use and animal safety.

### 5.1. Main Access Door

The aviary features a large hinged door (19.1" x 60") for easy access. This door is equipped with a lockable system to ensure the security of your animals.

Figure 2: Lockable Door Latch. This image shows the robust metal latch mechanism that secures the main access door, preventing unintended opening.

To open, slide the bolt of the latch mechanism. To close, align the door and slide the bolt back into its receiver until it clicks into place. Always ensure the door is fully latched.

## 5.2. Feeding Access

The aviary includes small, lockable feeding doors designed for convenient placement and removal of food and water bowls without needing to enter the main enclosure.

Video 1: Feeding Door Operation. This video demonstrates how to open and close the small feeding doors, allowing for easy access to food and water bowls without disturbing the animals inside the aviary.

To use, unlatch the small door, place or remove the bowl, and then securely re-latch the door.

## 5.3. Animal Placement

When introducing animals to the aviary, ensure a calm environment. Allow them to acclimate to their new

surroundings gradually. The ample activity room provides space for walking, playing, and flying.

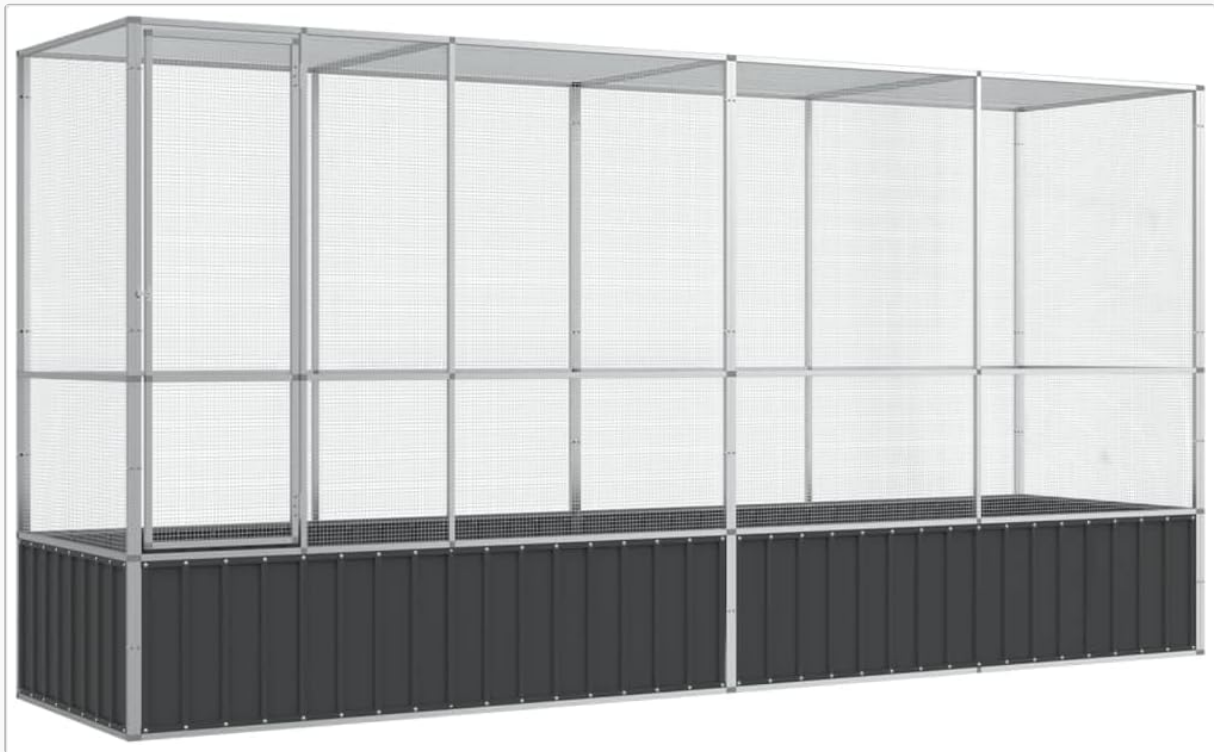

Figure 3: vidaXL Aviary with Extension. This image displays the full assembled aviary, highlighting its spacious design and galvanized steel construction.

## 6. MAINTENANCE

Regular maintenance will prolong the life of your aviary and ensure a healthy environment for your animals.

- **Daily Cleaning:** Remove any waste, uneaten food, and refresh water daily.
- **Weekly Deep Cleaning:** For thorough cleaning, the aviary features pull-out trays at the bottom. These trays can be easily removed, cleaned, and reinserted.
- **Material Care:** The galvanized steel construction is resistant to rust and corrosion. Clean with mild soap and water, then rinse thoroughly. Avoid abrasive cleaners that could damage the protective coating.
- **Mesh Inspection:** Regularly check the steel mesh for any signs of damage, bending, or gaps that could compromise animal safety.

Video 2: Pull-Out Tray Demonstration. This video illustrates the functionality of the pull-out trays at the base of a similar aviary, designed for convenient waste removal and cleaning.

## 7. TROUBLESHOOTING

If you encounter any issues with your vidaXL Aviary, please refer to the following common solutions:

- **Loose connections:** If the aviary feels unstable, re-check all bolts and screws and tighten them as necessary.
- **Door not latching:** Ensure the door frame is properly aligned and free of obstructions. Check the latch mechanism for any debris or damage.
- **Damaged mesh:** For minor damage, repair kits may be available. For significant damage, contact customer support for replacement parts.
- **Animal escape:** Immediately secure the area and inspect the entire aviary for any openings or weak

points.

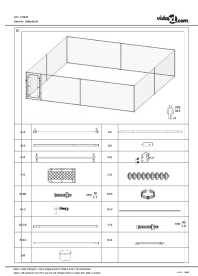

## 8. SPECIFICATIONS

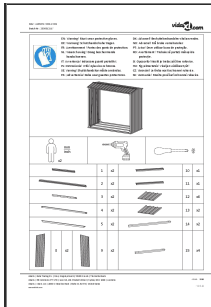

Feature	Detail
Brand	vidaXL
Model Number	3214267
Material	Galvanized steel, steel
Color	Silver and anthracite
Overall Dimensions (W x D x H)	164.8" x 42.1" x 83.5"
Door Size (W x H)	19.1" x 60"
