MENATT White Tempered Glass Shower Panel Tower System

Model: MTT50909624

1. PRODUCT OVERVIEW

The MENATT White Tempered Glass Shower Panel Tower System is a sophisticated 4-in-1 shower solution designed for modern bathrooms. It features a durable 304 stainless steel frame with an elegant white tempered glass overlay, ensuring both longevity and ease of cleaning. This system integrates multiple functions to enhance your showering experience.

- **Material:** High-quality 304 Stainless Steel frame with 6mm white Tempered Glass overlay.
- **Functions:** Includes an 8-inch rainfall shower head, three body massage jets, a handheld shower, and a tub spout.
- **Design:** Wall-mounted, brushed finish, designed for easy cleaning and resistance to corrosion.

2. SAFETY INFORMATION

Please read all instructions carefully before installation and use. Failure to follow these instructions may result in property damage, personal injury, or death.

- Ensure all water supply lines are turned off before beginning installation.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, during installation.
- Handle tempered glass components with care to prevent breakage.
- Verify that the wall structure can support the weight of the shower panel and water.
- Consult a qualified plumber if you are unsure about any installation steps or plumbing connections.

- Do not use abrasive cleaners or tools that could scratch the glass or stainless steel surfaces.

3. PACKAGE CONTENTS

Carefully unpack the box and ensure all components are present and undamaged. If any parts are missing or damaged, do not proceed with installation and contact customer service.

- Shower Panel Assembly
- 14.5-inch Shower Arm
- 9-inch Top Shower Head
- 150cm Hose
- Hand Shower Head
- Hand Spray Bracket
- Screw Accessory Kit
- 2 Connectors
- Installation Manual

5. INSTALLATION

This section provides general guidance for installing your shower panel. For detailed, step-by-step instructions, please refer to the dedicated **Installation Manual** included in your package. Professional installation is recommended.

5.1 Pre-Installation

- Ensure you have all necessary tools and components as listed in the package contents.
- Turn off the main water supply to your bathroom.
- Clear the installation area and protect surrounding surfaces.

5.2 Mounting the Panel

- Determine the desired height and position for the shower panel on your wall.
- Mark the drilling points accurately using the provided mounting bracket as a template.
- Drill holes and insert wall anchors suitable for your wall type.
- Secure the mounting bracket to the wall.

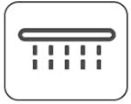

5.3 Water Connections

- Connect the hot and cold water supply lines to the corresponding inlets on the back of the shower panel. The tube connection type is NPT 1/2".
- Ensure all connections are tight and sealed to prevent leaks.
- Carefully hang the shower panel onto the mounted bracket.
- Turn on the main water supply and check for any leaks.

6. OPERATING INSTRUCTIONS

The MENATT Shower Panel Tower System offers four distinct showering functions, controlled by the various knobs and levers on the panel.

4 IN 1 Shower Panel

Shower Head

Body Jets

Handheld Shower

Tub Spout

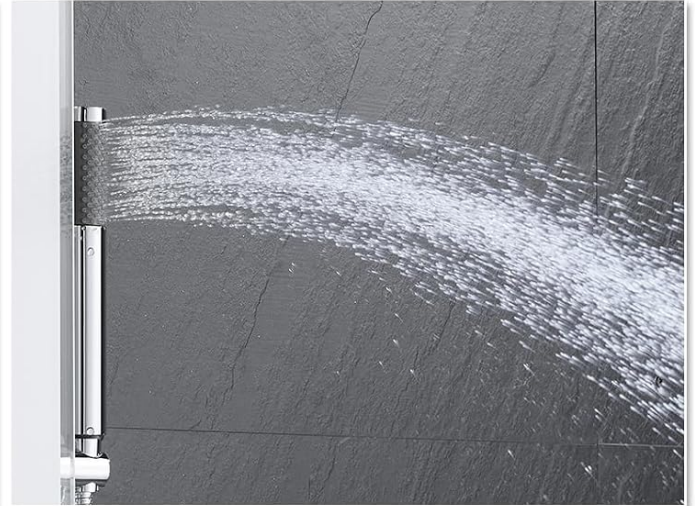

Figure 4: Overview of the 4-in-1 shower functions.

6.1 Rainfall Shower Head

Activate the top control knob to engage the 8-inch rainfall shower head. This provides a wide, gentle cascade of water for a relaxing shower experience.

Figure 5: The 8-inch rainfall shower head in operation.

6.2 Body Massage Jets

Turn the designated control knob to activate the three square body massage jets. These jets provide an invigorating spray pattern, ideal for soothing muscles.

Figure 6: Body massage jets providing a targeted spray.

6.3 Handheld Shower

Engage the handheld shower by selecting its corresponding control. The handheld shower offers flexibility for targeted rinsing or

cleaning the shower area.

6.4 Tub Spout

To fill a tub or bucket, activate the tub spout function. The spout is located at the bottom of the panel and provides a steady stream of water.

7. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and aesthetic appeal of your MENATT Shower Panel Tower System.

- **Cleaning Surfaces:** Use a soft cloth and mild soap or a non-abrasive glass cleaner for the tempered glass and stainless steel surfaces. Wipe dry immediately to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or chemical solvents, as these can damage the finish and glass.
- **Prevent Mineral Buildup:** Regularly clean shower nozzles and jets to prevent mineral deposits, especially in hard water.

areas. A soft brush or toothpick can be used to clear blockages.

- **Inspect Connections:** Periodically check all water connections for any signs of leaks or corrosion.

8. TROUBLESHOOTING

This section addresses common issues you might encounter with your shower panel. For problems not listed here, please contact customer support.

Problem	Possible Cause	Solution
Low water pressure from shower head/jets	Partially closed water supply valve; mineral buildup in nozzles; kinked hose.	Ensure supply valves are fully open. Clean nozzles of any mineral deposits. Check handheld shower hose for kinks.
Water leaks from connections	Loose connections; damaged O-rings or washers.	Tighten connections. Replace worn or damaged O-rings/washers. Ensure plumber's tape was used during installation.
Water temperature is inconsistent	Issues with hot/cold water supply; faulty mixing valve.	Check hot and cold water supply to the unit. If problem persists, contact a qualified plumber or customer service.
Handheld shower not working	Diverter valve not fully engaged; hose blockage.	Ensure the diverter knob is fully turned to the handheld shower setting. Check the hose for any blockages.

9. WARRANTY AND SUPPORT

For warranty information, claims, or technical support regarding your MENATT White Tempered Glass Shower Panel Tower System, please contact MENATT customer service directly. Keep your purchase receipt as proof of purchase for any warranty claims.

Contact information can typically be found on the MENATT official website or through your retailer.

ASK A QUESTION ABOUT THIS MANUAL
