Housoul FS-SMG-BLK

Housoul Fluted Sideboard Buffet with 3 Doors (Model: FS-SMG-BLK) - Instruction Manual

Your guide to assembly, operation, and care.

INTRODUCTION

Thank you for choosing the Housoul Fluted Sideboard Buffet. This manual provides detailed instructions for the safe assembly, proper operation, and effective maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all parts and hardware are present before beginning assembly.
- Do not overtighten screws, as this may damage the material.
- For safety, it is **highly recommended** to securely anchor the cabinet to a wall using the provided anti-tipping device. This prevents accidental tipping, especially in households with children or pets.
- Do not place excessively heavy objects on top of the cabinet or on the shelves.
- Keep small parts away from children during assembly.

Anti-tipping Device

Protect your kids and pets.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the separate assembly manual included with your product. All hardware components are individually packaged and labeled with codes for easy reference. A screwdriver is typically the only tool required.

Key Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the cabinet (top, bottom, and side panels).
3. Attach the back panel.
4. Install the golden legs to the base of the cabinet.
5. Attach the hinges to the doors and then to the cabinet frame.
6. Install the golden handles onto the doors.
7. Insert the adjustable shelves using the provided shelf pins at your desired height.

8. Secure the cabinet to the wall using the anti-tipping device.

OPERATING INSTRUCTIONS

Adjustable Shelves:

The interior of the cabinet features three height-adjustable shelves. To adjust a shelf, simply remove the shelf pins from their current position and reinsert them into the desired holes. Ensure all four pins are securely in place before resting the shelf on them. This allows for customized storage to accommodate items of various sizes.

Adjustable Storage Shelves

Magnetic Door Closure:

The three doors are equipped with magnetic devices to ensure they close securely and remain shut. Gently push the door to engage the magnetic catch.

MAINTENANCE

Cleaning:

Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish. For spills, wipe immediately to prevent staining.

General Care:

- Periodically check all screws and fittings to ensure they remain tight.
- Avoid exposing the cabinet to direct sunlight or extreme temperature changes to prevent warping or fading.
- Do not drag the cabinet when moving it; always lift it to prevent damage to the legs and floor.

TROUBLESHOOTING

Cabinet is Wobbly:

Ensure all screws are fully tightened. If the floor is uneven, consider placing small felt pads under the legs to stabilize the unit. Verify that the anti-tipping device is properly installed and secured to the wall.

Doors Not Closing Properly:

Check the alignment of the hinges. Adjusting the screws on the hinges can help realign the doors. Ensure the magnetic catches are clean and unobstructed.

Missing or Damaged Parts:

If you find any missing or damaged parts upon opening the package, please contact Housoul customer service immediately for assistance. Do not attempt to assemble the unit with missing or damaged components.
