Dowinx LS-66BG103

Dowinx Big and Tall Office Chair User Manual

Model: LS-66BG103 | Brand: Dowinx

PRODUCT OVERVIEW

The Dowinx Big and Tall Office Chair is designed for extended comfort and ergonomic support, featuring a double-layered thickened backrest, individual pocket springs in the seat cushion, and flexible adjustability. This chair is suitable for various activities including office work, gaming, relaxing, and reading.

SAFETY INFORMATION

Always assemble the chair according to the provided instructions. Ensure all components are securely fastened before use. Keep the footrest in its upright position when not in use to prevent tripping hazards. Do not stand on the chair or use it as a ladder. Avoid placing excessive weight on the armrests.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the parts list included in your packaging. Typical components include:

- Backrest
- Seat Cushion with Pocket Springs
- Armrests (Adjustable)
- Footrest Assembly
- Base with Casters
- Gas Lift Cylinder
- Mechanism Plate
- Hardware (Screws, Washers, Allen Wrench)

SETUP AND ASSEMBLY

Assembly of the Dowinx Office Chair typically takes about an hour. Follow the step-by-step instructions provided in the included assembly guide. A visual demonstration of the assembly process is available in the video below.

1. **Attach Casters to Base:** Insert the casters into the holes on the chair base.
2. **Install Gas Lift:** Place the gas lift cylinder into the center hole of the base.
3. **Attach Mechanism to Seat:** Secure the mechanism plate to the underside of the seat cushion using the provided screws.
4. **Connect Armrests:** Attach the adjustable armrests to the seat cushion.
5. **Assemble Backrest:** Secure the backrest to the seat assembly.
6. **Attach Footrest:** Install the footrest assembly to the designated points on the chair.
7. **Combine Assemblies:** Place the assembled seat and backrest onto the gas lift cylinder.

OPERATING INSTRUCTIONS

Adjustable Recline (90°-135°)

The chair offers a versatile reclining range from 90° (upright working position) to 135° (relaxed position). To recline, pull the lever located on the side of the chair upwards, lean back to your desired angle, and release the lever to lock it in place. To return to an upright position, pull the lever again and lean forward.

Adjustable Padded Armrests

The armrests can be adjusted vertically to your preferred height, providing personalized comfort and support for your arms and shoulders. Locate the button or lever on the side of each armrest, press or lift it, and move the armrest up or down.

Release to lock.

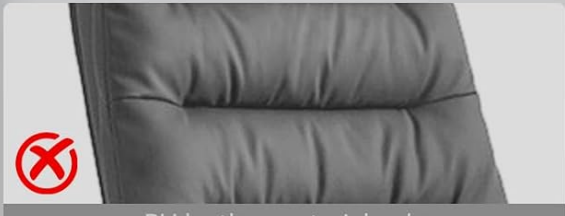

OURS	OTHERS
 Spring cushion - enhanced comfort	 Standard foam cushion
 Perforated upholstery - enhanced breathability	 Non-perforated upholstery
 Adjustable armrests - enhanced flexibility	 Non-adjustable armrests
 Two material options: Tech cloth/PU leather - enhanced choice	 PU leather material only

Image: Close-up view of the padded adjustable armrests, highlighting their vertical adjustment capability.

Retractable Footrest

For added relaxation, the chair includes a retractable footrest. To extend, pull the footrest out from underneath the seat. To retract, push it back until it is fully stored. Ensure it is fully retracted when not in use to avoid obstruction.

Seat Height Adjustment

To adjust the seat height, pull the lever located under the seat upwards. While seated, lift your weight off the seat to raise it, or remain seated to lower it. Release the lever at your desired height.

MAINTENANCE AND CARE

To maintain the appearance and longevity of your Dowinx Office Chair, follow these care instructions:

- **Cleaning:** Wipe clean with a damp cloth. For PU leather, use a mild, non-abrasive cleaner specifically designed for

synthetic leather. Avoid harsh chemicals or abrasive materials.

- **Regular Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaks.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth movement.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose screws or improper assembly.	Check all screws and bolts, especially where the backrest connects to the seat and the mechanism to the base. Tighten securely. Refer to assembly instructions.
Chair does not recline or lock properly.	Recline mechanism obstruction or malfunction.	Ensure the recline lever is fully engaged or disengaged. Check for any obstructions around the mechanism. If issues persist, contact customer support.
Seat height adjustment not working.	Gas lift cylinder issue or lever malfunction.	Ensure the height adjustment lever is pulled completely. If the gas lift is faulty, it may need replacement. Contact customer support.
Squeaking noises.	Loose connections or friction between parts.	Tighten all screws. Apply a small amount of silicone lubricant to moving parts or joints if necessary, avoiding contact with upholstery.

SPECIFICATIONS

DOUBLE-LAYER THICKENED STRUCTURE

This combination ensures that users can enjoy prolonged periods of sitting without discomfort, making it ideal for both work and leisure.
