

## Costzon LY-1109

# Costzon LY-1109 6-in-1 Toddler Slide and Swing Set Instruction Manual

## 1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Costzon LY-1109 6-in-1 Toddler Slide and Swing Set. This versatile playset is designed to offer multiple activities including a slide, swing, bus play area, crawling tunnel, and basketball hoop, promoting physical activity and imaginative play for toddlers.

## 2. SAFETY INFORMATION

**WARNING: Adult supervision is required at all times when children are using this product.**

- **Age Range:** Suitable for toddlers and young children, generally 18 months and older.
- **Weight Capacity:** The maximum recommended weight for this playset is 66 pounds (30 kg).
- **Stable Placement:** Ensure the playset is placed on a flat, level surface. For enhanced stability, it is recommended to fill the hollow base of the swing with sand or water.
- **Slide Safety:** The slide features safe handrails and a buffer area at the end to ensure a smooth and safe landing. Do not allow children to slide headfirst or stand on the slide.
- **Swing Safety:** The swing includes a safety belt and a detachable T-shaped safety protection bar. Always secure the child properly in the swing. Do not allow children to twist the swing chains or stand on the swing seat.
- **Inspection:** Regularly inspect all components for wear, damage, or loose connections before each use. Tighten any loose fasteners.
- **Clearance:** Ensure adequate clear space around the playset, especially around the swing and slide exits, to prevent collisions.

## 3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact Costzon customer service.

- Slide components
- Swing components
- Bus play house components
- Basketball hoop
- Basketball
- Pump
- User Manual (this document)
- All necessary hardware (screws, nuts, etc.)

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly of the Costzon LY-1109 playset is designed to be straightforward and requires no complicated tools. Follow the step-by-step instructions and diagrams provided in the included printed user manual for detailed guidance.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the package contents list.
2. **Assemble Base Structure:** Connect the main support frames for the slide, swing, and bus play area. Ensure all connections are secure.
3. **Install Slide:** Attach the slide sections, ensuring the handrails and buffer zone are correctly aligned and fastened.
4. **Install Swing:** Assemble the swing frame and attach the swing seat. Secure the safety belt and T-shaped protection bar. Remember to fill the hollow base with sand or water for stability.
5. **Construct Bus Play Area:** Assemble the bus structure, including the steering wheel, flexible operation lever, and double doors.
6. **Attach Basketball Hoop:** Secure the basketball hoop to its designated position.
7. **Final Inspection:** Double-check all connections, screws, and fasteners to ensure they are tight and secure before allowing children to use the playset.

## Easy to Fold the Slide

Allows for space-saving storage

The slide can be folded upwards for convenient storage, as shown in this image.

## 5. OPERATING INSTRUCTIONS

The Costzon LY-1109 offers multiple play activities. Ensure children are supervised during play.

# 5 Playing Areas

Offer kids endless fun

Overview of the 5 playing areas: Drive, Shoot, Crawl, Slide, and Swing.

- **Slide:** Children can climb the steps and slide down. Always ensure the landing area is clear. The slide features a waiting area, acceleration area, deceleration area, and a buffer area for safety.
- **Swing:** Place the child securely in the swing seat, fasten the safety belt, and ensure the T-shaped protection bar is in place. Gently push the swing.
- **Bus Play Area:** Children can enter the bus through the double doors, turn the steering wheel, and operate the flexible lever for imaginative driving play.
- **Crawling Tunnel:** The playset includes a tunnel for children to crawl through, enhancing motor skills.
- **Basketball Hoop:** Use the included basketball and pump to inflate the ball. Children can practice shooting hoops.

# Simulated Driving Experience

The slide can be used separately

Steering Wheel with Horn

Flexible Operation Lever

Double Openable Doors

The bus play area offers a simulated driving experience with a steering wheel, flexible lever, and openable doors.

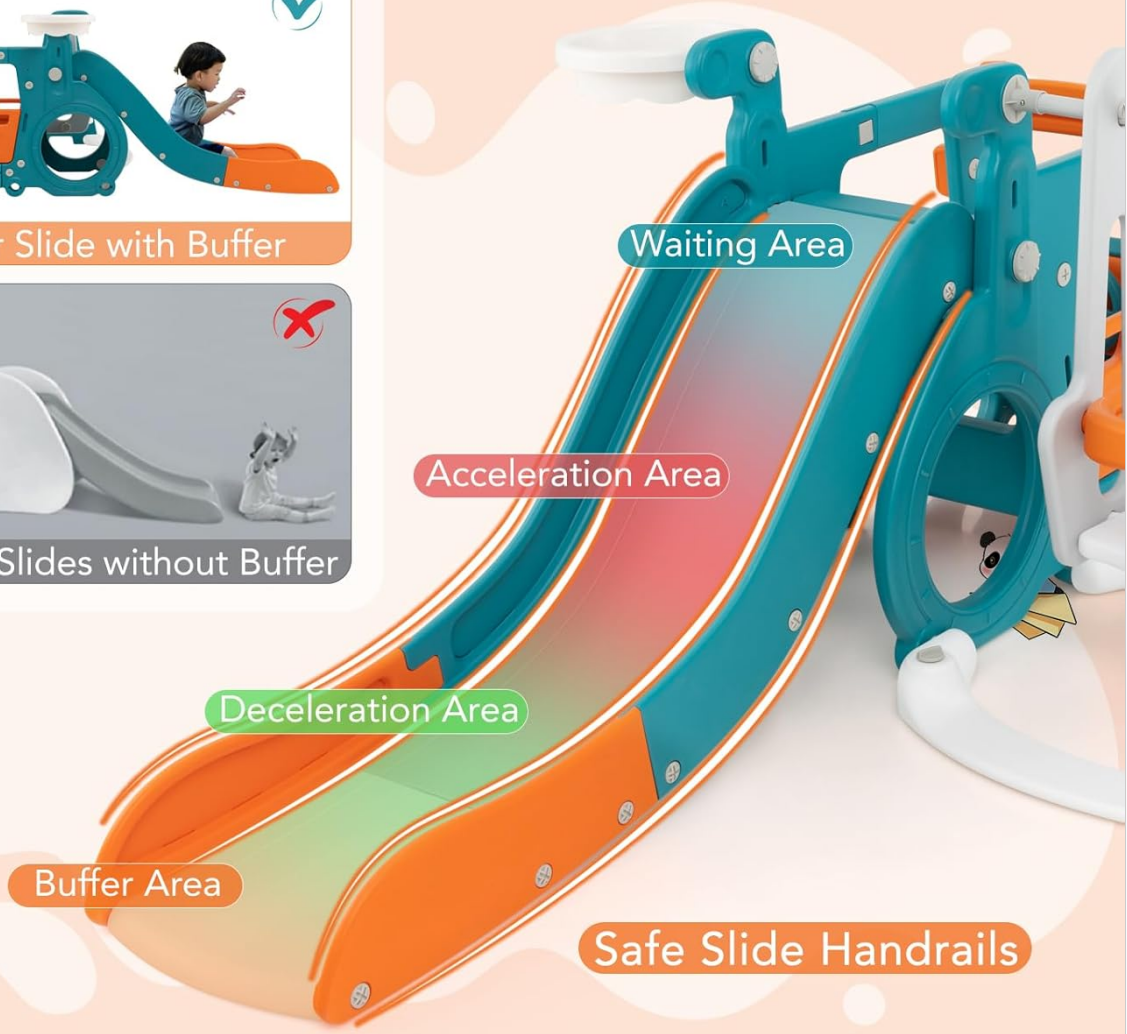

# Kids Slide with Buffer

Our Slide with Buffer

Other Slides without Buffer

The slide is designed with distinct zones for a safe and controlled descent, including a buffer area.

# Safe & Comfortable Swing

The swing features a curved backrest, anti-falling baffle, and a sturdy base that can be weighted for stability.

## 6. MAINTENANCE

Regular maintenance ensures the longevity and safety of your playset.

- **Cleaning:** Clean the playset regularly with a damp cloth and mild soap. Avoid abrasive cleaners or solvents.
- **Inspection:** Periodically check all nuts, bolts, and connections for tightness. Re-tighten as necessary. Inspect plastic components for cracks or damage.
- **Storage:** When not in use for extended periods, especially during harsh weather, store the playset indoors or cover it to protect it from elements. The slide can be folded for space-saving storage.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Playset feels unstable	Loose connections; insufficient weight in swing base.	Ensure all fasteners are tightened. Fill the hollow base of the swing with sand or water. Place on a level surface.
Missing parts during assembly	Packaging error.	Contact Costzon customer service with your product model number and a description of the missing part.
Slide or swing not smooth	Obstruction; damaged component.	Inspect for any foreign objects or damage. Clean the surface. If damaged, contact customer service for replacement parts.
