- USB Type-C Charging Cable

CONTROLS AND INDICATORS

Familiarize yourself with the headphone controls for optimal use.

Universal Compatibility

Figure 2: Headphone Controls Layout

- **Volume Up (+) Button:** Short press to increase volume. Long press to move to the next track.
- **Power On/Off (Play/Pause) Button:** Press and hold to power on/off. Short press to play or pause audio.
- **Volume Down (-) Button:** Short press to decrease volume. Long press to move to the previous track.
- **TYPE-C Charging Port:** Used for charging the headphones.

SETUP

1. Charging the Headphones

Before first use, fully charge the headphones. A full charge takes approximately 2 hours and provides up to 30 hours of listening time.

- Connect the USB Type-C charging cable to the charging port on the headphones (refer to Figure 2).

- Connect the other end of the cable to a USB power source (e.g., computer USB port, wall adapter).
- The indicator light will show charging status (refer to product packaging or quick start guide for specific light behavior).
