This image shows the Funko Pop Cinnamoroll figure, featuring the character holding a miniature ice cream cone and wearing an ice cream-themed outfit.

## OPERATING

This Funko Pop figure is a static collectible and does not require any operational steps. It is intended for display purposes. Handle the figure by its base to avoid damaging painted details or delicate parts. Avoid dropping the figure to prevent breakage.

## MAINTENANCE

To maintain the appearance of your Funko Pop figure, dust it regularly with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid using harsh chemicals or abrasive cleaners, as these can damage the paint and vinyl material. Keep the figure out of direct sunlight to prevent fading of colors.

## TROUBLESHOOTING

If your figure appears unstable, ensure it is placed on a completely flat and level surface. Slight variations in manufacturing can sometimes affect balance; repositioning the figure or using a small, clear adhesive disc (not included) on the base can improve stability if needed.
