

Bettdow J201

Bettdow J201 Bluetooth 5.3 Wireless Earbuds User Manual

Model: J201 | Brand: Bettdow

INTRODUCTION

Thank you for choosing the Bettdow J201 Bluetooth 5.3 Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.3 connectivity, active hybrid noise cancellation, and a long-lasting battery. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

KEY FEATURES

- **Advanced Bluetooth 5.3:** Ensures stable and reliable connections with a transfer speed of 2Mbps and a range of up to 10 meters.
- **Instant Pairing:** Equipped with a Hall Switch, the earbuds connect instantly to your last paired device upon opening the charging case.
- **Extended Playtime:** Enjoy up to 7 hours of listening time on a single charge, with a total of 40 hours of combined playback using the charging case.
- **Type-C Fast Charging:** The charging case supports fast charging via a Type-C port, providing quick power-ups.
- **Superior HiFi Sound:** Features active hybrid noise cancellation and oversized 13.4mm drivers with Sound4 acoustic processing for detailed, CD-level audio.
- **IPX6 Waterproof Rating:** A nano-coating protects against water and sweat, making them suitable for sports and outdoor activities (not for swimming).
- **Lightweight and Compact:** Each earbud weighs only 0.14 oz, and the charging case measures 2.16 x 1.04 x 1.88 inches for easy portability.
- **Intuitive Touch Controls:** Manage music playback, volume, track skipping, calls, and voice control directly from the earbuds.
- **Wide Compatibility:** Compatible with most iOS and Android smartphones.

PACKAGE CONTENTS

Please ensure all items are present in the package:

- Bettdow J201 Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual

Atualizar chip BT 5.3 Estável e contínuo

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The indicator light on the case will show charging status.

Qualidade De som Hi-Fi Superior e Graves Profundos

2. Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case is charged.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode, and an indicator light will flash.
3. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
4. Search for "J201" in the list of available devices and select it to connect.
5. Once connected, the indicator light on the earbuds will stop flashing, and your device will confirm the connection.

MAINTENANCE

Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe the surfaces. For the ear tips, gently remove them and clean with a mild soap solution, then rinse and dry thoroughly before reattaching.

Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Avoid storing them in extreme temperatures or humid environments.

Water Resistance (IPX6)

The earbuds are IPX6 water-resistant, meaning they can withstand strong jets of water. This makes them suitable for workouts and light rain. However, they are not designed for submersion in water or swimming. Ensure the charging port is dry before charging.

Controles de Toque

TROUBLESHOOTING

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Place them in the case, close the lid, then open it again to re-enter pairing mode. Check your device's Bluetooth settings and try reconnecting.
Only one earbud working	Place both earbuds back into the charging case, close the lid, and then open it again. This should reset the connection between them. If the issue persists, try re-pairing them with your device.
Low volume or poor sound quality	Check the volume levels on both your device and the earbuds. Ensure the ear tips are clean and properly seated in your ears for a good seal.

Problem	Solution
Charging issues	Verify the USB-C cable is securely connected to both the charging case and the power source. Try a different cable or power adapter. Ensure the charging contacts on the earbuds and inside the case are clean.
Earbuds frequently disconnect	Ensure your device is within the 10-meter Bluetooth range. Avoid obstacles between your device and the earbuds. Try disconnecting and re-pairing the earbuds.
