LITFAD Modern Wall Mounted Wine Rack

LITFAD Modern Wall Mounted Wine Rack with LED Light Instruction Manual

Model: Modern Wall Mounted Wine Rack (1 Piece Gold)

INTRODUCTION

This manual provides comprehensive instructions for the safe and effective installation, operation, and maintenance of your LITFAD Modern Wall Mounted Wine Rack with LED Light. Please read this manual thoroughly before assembly and use, and retain it for future reference.

SAFETY INFORMATION

- Ensure the wall surface is structurally sound and capable of supporting the weight of the rack and its contents. Consult a professional if unsure.
- Use appropriate wall anchors and screws for your specific wall type (e.g., drywall, concrete, wood studs).
- Do not overload the rack beyond its intended capacity.
- Keep children and pets away from the assembly area.
- Disconnect power before performing any maintenance on the LED lighting.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly.

- 1 x LITFAD Modern Wall Mounted Wine Rack (Gold, 1 Piece)
- Assembly Tools
- Instruction Manual (this document)
- Mounting Hardware (screws, wall anchors)
- LED Light Kit

SETUP AND INSTALLATION

Follow these steps carefully for proper installation.

1. **Prepare the Wall:** Choose a suitable location on a sturdy wall. Mark the desired mounting points using a pencil and a level. Ensure there is adequate space for the rack's dimensions (63"L x 8"W x 51"H).
2. **Drill Pilot Holes:** Using an appropriate drill bit for your wall type, drill pilot holes at the marked locations. If mounting into drywall without studs, insert the provided wall anchors.
3. **Mount the Rack:** Carefully lift the wine rack and align the mounting holes with the drilled holes/anchors. Insert and tighten the screws securely. Ensure the rack is level and firmly attached to the wall.
4. **Install LED Lighting:** Connect the LED light strips according to the included LED light kit instructions. Route the wiring discreetly and secure it. Plug the power adapter into a suitable electrical outlet.

Figure 1: Dimensions of the LITFAD Wall Mounted Wine Rack. This diagram illustrates the overall length, width, and height, along with the spacing between shelves, crucial for planning installation and understanding capacity.

Figure 2: Fully assembled LITFAD Wall Mounted Wine Rack. This image provides a visual reference of the product's appearance and how it functions when stocked with bottles and stemware.

OPERATING INSTRUCTIONS

- **Placing Bottles:** Carefully place wine bottles horizontally or vertically on the designated shelves. Ensure bottles are stable and do not protrude excessively.
- **Hanging Glasses:** Utilize the integrated stemware rack to hang wine glasses upside down. Ensure glasses are securely seated in the slots.
- **LED Light Operation:** The LED lights are typically controlled by an inline switch or remote (if included with the LED kit). Turn the lights on/off as desired to illuminate your collection.

MAINTENANCE

- **Cleaning:** Wipe the metal frame and shelves with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be

used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.

- **Inspection:** Periodically check all mounting screws and connections to ensure they remain tight and secure.
- **LED Lights:** If an LED light strip malfunctions, consult the specific LED light kit manual for replacement or troubleshooting.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Rack feels unstable after installation.	Improper wall anchors or loose screws.	Ensure correct wall anchors are used for your wall type. Tighten all mounting screws. If instability persists, consult a professional.
LED lights are not working.	Power connection issue, faulty switch, or damaged LED strip.	Check if the power adapter is securely plugged in. Verify the inline switch is in the "on" position. Inspect LED strip for visible damage. Refer to the LED light kit manual for further troubleshooting.
Bottles/glasses do not fit properly.	Incorrect placement or oversized items.	Ensure items are placed within the rack's dimensions. Refer to the specifications for shelf heights and overall dimensions.

SPECIFICATIONS

Model: Modern Wall Mounted Wine Rack

Dimensions (Overall): 63"L x 8"W x 51"H (160 cm L x 20 cm W x 130 cm H)

Material: Metal (Iron art electroplating process)

Color: Gold

Features: Integrated LED Light, Stemware Rack, Multi-layer Shelves

Assembly Required: Yes

Care Instructions: Wipe with Dry Cloth
