Virubi WF312727AA

Virubi Tall Narrow Storage Cabinet Instruction Manual

Model: WF312727AA

INTRODUCTION

Thank you for choosing the Virubi Tall Narrow Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Always read and follow all assembly instructions carefully.
- Ensure the cabinet is properly secured to the wall using the provided anti-toppling device to prevent accidental tipping. This is crucial for the safety of children and pets.
- Do not overload shelves or drawers. Distribute weight evenly to maintain stability.
- Keep small parts and hardware out of reach of children during assembly.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If anything is missing, please contact customer support.

- Cabinet panels (MDF boards with painted finish)
- Hardware pack (screws, dowels, cam locks, anti-toppling device, metal knobs, magnetic door stoppers, slide rails, stainless steel door hinges)
- Instruction manual (this document)
- Adjustable shelf pins

ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this product. Please follow the steps carefully. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a soft, clean surface. Refer to the parts list in your hardware pack to identify each piece.

2. **Assemble Cabinet Frame:** Begin by connecting the main side panels to the base and top panels using the provided hardware (e.g., cam locks and dowels). Ensure all connections are secure.
3. **Install Drawer Rails:** Attach the drawer slide rails to the designated cabinet panels according to the instructions in your hardware pack.
4. **Assemble Drawer:** Construct the drawer box using the drawer panels and hardware. Install the remaining drawer slide rails onto the drawer.
5. **Insert Drawer:** Carefully slide the assembled drawer into the cabinet frame, ensuring it operates smoothly.
6. **Attach Back Panel:** Secure the back panel to the cabinet frame using small nails or screws.
7. **Install Adjustable Shelf:** Insert the shelf pins into the desired height holes within the cabinet compartments. Place the adjustable shelf onto the pins.
8. **Attach Doors:** Mount the doors to the cabinet using the stainless steel hinges. Adjust hinges as needed for proper alignment. Install the magnetic door stoppers.
9. **Install Knobs:** Attach the metal knobs to the drawer and doors.
10. **Secure Anti-Toppling Device:** Position the cabinet in its final location. Attach the anti-toppling device to the top rear of the cabinet and secure it firmly to a wall stud using appropriate wall anchors and screws. This step is critical for safety.

Unit:inch

OPERATING INSTRUCTIONS

The Virubi Tall Narrow Storage Cabinet is designed for versatile storage in various rooms.

- Adjustable Shelf:** The lower cabinet features one adjustable shelf. To change its height, remove any items, lift the shelf, remove the four shelf pins, reposition them into the desired holes, and then place the shelf back on the pins. This allows customization for items of different sizes.
- Drawer Usage:** The central drawer is equipped with smooth slide rails for easy opening and closing. Use it for smaller items that require quick access.
- Door Operation:** The two cabinet doors open and close smoothly, secured by magnetic stoppers when closed.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Virubi cabinet.

- **Cleaning:** The cabinet is made of high-quality MDF boards with a painted finish, making the surface water-proof and smooth. Wipe clean with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water damage, especially in areas not protected by the painted finish.

- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause fading or warping.

The surface is water-proof and smooth, which is durable and easy to clean.

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose connections; uneven floor; anti-toppling device not installed.	Ensure all screws and cam locks are tightened. Place shims under the base if the floor is uneven. Install the anti-toppling device securely to a wall stud.
Drawer does not slide smoothly.	Drawer rails misaligned; debris in rails; incorrect assembly.	Check that drawer rails are correctly installed and aligned on both the drawer and cabinet. Clean any dust or debris from the rails. Re-check assembly steps for the drawer.

Problem	Possible Cause	Solution
Doors do not close properly or are misaligned.	Hinges are loose or misadjusted; magnetic stopper not engaging.	Tighten hinge screws. Adjust hinges using the adjustment screws to align the doors. Ensure the magnetic stopper is correctly positioned and clean.
Difficulty during assembly.	Missing or damaged parts; unclear instructions; parts not fitting precisely.	Double-check all parts against the inventory list. Review the instruction manual carefully. If parts do not fit, do not force them; contact customer support for assistance.

SPECIFICATIONS

Brand	Virubi
Model Number	WF312727AA
Color	Grey
Material	MDF board, painted finish
Product Dimensions (D x W x H)	11"D x 22"W x 67"H
Weight Limit	100 Pounds (total)
Number of Doors	2
Number of Drawers	1
Adjustable Shelf	Yes (1 shelf)
Mounting Type	Freestanding Floor Storage Cabinets with Anti-toppling Device
Assembly Required	Yes
Certifications	CARB P2, The Forest Stewardship Council (FSC)
