YFO B0D6GC9PKH

YFO Home Office Desk Chair User Manual

Model: Brown Mid Back (B0D6GC9PKH)

INTRODUCTION

Thank you for choosing the YFO Home Office Desk Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use and retain them for future reference.

The YFO Home Office Desk Chair, Brown Mid Back variant.

SAFETY INFORMATION

For safe use, this YFO Home Office Desk Chair supports a maximum weight capacity of 300 pounds. Ensure stability by not exceeding the recommended uses and following assembly instructions. Use caution with the adjustable height mechanism. For assembly and further inquiries, refer to product packaging and documentation.

PRODUCT FEATURES

- **Ergonomic Design:** Enhanced back support with increased sponge padding and lumbar support to prevent lower back pain during prolonged use.
- **Adjustable Height & Recline:** Easily adjust seat height and recline function (90°-120°) for personalized comfort.
- **Durable Rubber Casters:** Equipped with smooth, silent, and heavy-duty rubber wheels suitable for various floor types including wood, carpet, and marble, without requiring a chair mat.

- **Comfortable Seat Cushion:** Constructed with sturdy wooden boards, soft sponge, and highly elastic spring packs for long-lasting comfort and shape retention.
- **2-in-1 Armrest Design:** Armrests can be installed or removed, allowing for use as a standard office chair or a cross-legged chair.
- **360° Swivel:** Provides full rotational movement for convenience.

Detailed product dimensions for the YFO Home Office Desk Chair.

SETUP AND ASSEMBLY

Assembly is required for this chair. The process is designed to be straightforward, typically completed in five easy steps. All parts are clearly labeled and packaged to facilitate the setup.

1. Unpack all components and verify against the parts list in your assembly instructions.
2. Attach the casters to the chair base.

3. Insert the gas lift cylinder into the center of the chair base.
4. Secure the seat plate mechanism to the bottom of the seat cushion.
5. Attach the backrest to the seat cushion.
6. If desired, attach the armrests to the chair.
7. Place the assembled seat onto the gas lift cylinder.

OPERATING INSTRUCTIONS

Height Adjustment

To adjust the seat height, locate the lever under the seat on the right side. While seated, pull the lever up to lower the chair. To raise the chair, stand up slightly and pull the lever up. Release the lever at your desired height.

Recline Function

The chair offers a recline function between 90° and 120°. To recline, pull the same lever used for height adjustment outwards. Lean back to your preferred angle and push the lever inwards to lock the position. To return to an upright position, pull the lever outwards again and lean forward.

Illustration of the chair's recline function, allowing adjustment between 90 and 120 degrees.

Armrest Configuration

The armrests are detachable, providing flexibility for different uses. You can choose to install them for traditional seating or remove them to allow for cross-legged sitting, transforming it into a cross-legged office chair.

Long-Lasting Elastic Comfort

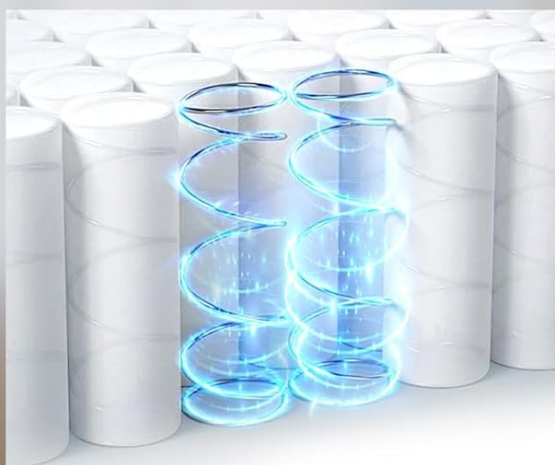

All-Day Comfortable Experience of Sitting

Highly Elastic

Non-deformable

Spring Cushion

- Provide soft and strong support.
- Withstand prolonged use without losing shape.

The chair's removable armrests allow for versatile seating positions, including cross-legged.

Swivel Function

The chair features a 360-degree swivel function, allowing for easy rotation and access to different areas of your workspace without needing to move the entire chair.

MAINTENANCE

To maintain the appearance and longevity of your YFO Home Office Desk Chair, follow these simple care instructions:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the leather finish.
- **Casters:** Periodically check the rubber casters for any debris (hair, dust) that might hinder smooth rolling. Clean as necessary.
- **Hardware:** Ensure all screws and bolts remain tightened to maintain stability. Re-tighten if any looseness is detected.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair does not adjust height smoothly.	Gas lift cylinder issue or lever mechanism obstruction.	Ensure the lever is fully engaged. Check for any obstructions around the gas lift. If the issue persists, contact customer support.
Casters are not rolling smoothly or are noisy.	Debris (hair, dust) caught in casters.	Turn the chair over and carefully remove any debris from the caster wheels.
Chair feels unstable or wobbly.	Loose assembly bolts or uneven floor surface.	Check and tighten all assembly bolts. Ensure the chair is on a flat, even surface.
Lumbar support feels insufficient.	Individual preference or posture.	While the chair has built-in lumbar support, individual comfort may vary. Consider adding a small cushion for additional support if needed.

SPECIFICATIONS

Feature	Detail
Brand	YFO
Model Number	B0D6GC9PKH
Color	Brown
Material	Leather (Upholstery), Iron (Frame), Sponge (Fill)
Product Dimensions (D x W x H)	20.47"D x 22.44"W x 18.5"H
