TORRAS Magnetic Case with Stand for iPhone 16 (6.1") User Manual

Brand: TORRAS | Model: for iPhone 16 (6.1")

1. INTRODUCTION

Thank you for choosing the TORRAS Magnetic Case with Stand for iPhone 16 (6.1"). This case is designed to provide robust protection, versatile functionality, and seamless compatibility with MagSafe accessories. Please read this manual carefully to ensure proper installation and optimal use of your new phone case.

2. KEY FEATURES

- **Invisible Magnetic Stand:** Features an angle-adjustable stand for hands-free viewing and photography. The embedded stand is designed for smooth operation and enduring durability, tested for over 30,000 open-close cycles.

- **Super Magnetic Lock:** Equipped with a 1:1 precision-aligned magnetic ring, compatible with MagSafe for easy charging and secure attachment. Utilizes Halbach magnet technology, providing an 18N magnetic force for secure attachment to car mounts, wallets, and other magnetic accessories.

- **3X Military-Grade Protection:** Constructed with 3 layers of elastic material for shock absorption, a 360° airbag system, and a shockproof hardback. Tested for over 5000 drops from 16 feet to ensure phone safety. Features 1.5 mm raised lips and 2.5 mm camera bezel to prevent screen and lens scratches.

- **Exquisite Craftsmanship & Crystal Clear Design:** Precise cutouts and button placements ensure a snug fit for the iPhone 16 case. The clear design, crafted with Nano-coating Isolation and Yellowing Inhibition Technology, preserves the phone's original aesthetic.

3. Setup

3.1 Checking Phone Model Compatibility

Ensure your device is an iPhone 16 (6.1-inch display). This case is not compatible with iPhone 16 Pro Max, iPhone 16 Pro, or iPhone 16 Plus models.

1. Go to your iPhone's **Settings**.
2. Tap on **General**.
3. Select **About**.
4. Locate **Model Name** to confirm your device is 'iPhone 16'.

3.2 Case Installation

1. Clean your iPhone 16 thoroughly to remove any dust or smudges.
2. Align the camera cutouts of the case with your phone's camera module.
3. Gently press your phone into the case, starting from the top corners.
4. Ensure all four corners of the phone are securely seated within the case.

4. OPERATING INSTRUCTIONS

4.1 Using the Invisible Magnetic Stand

The integrated stand allows for flexible viewing angles:

- To deploy the stand, gently pull the ring from the back of the case.
- Adjust the stand to your desired angle (0-120 degrees) for comfortable viewing in both portrait and landscape orientations.
- To retract, simply push the ring back into its flush position until it clicks securely.

4.2 MagSafe Compatibility

The case features a strong magnetic ring for seamless integration with MagSafe accessories:

- Simply align your MagSafe charger or accessory with the magnetic ring on the back of the case.
- The Halbach magnet array ensures a secure and efficient connection for charging and accessory use.

5. Maintenance

To keep your TORRAS case in optimal condition:

- Clean the case regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials, as these may damage the case's finish or clear coating.
- Ensure the stand mechanism is free from debris to maintain smooth operation.

6. Troubleshooting

6.1 Stand Stiffness

If the stand feels stiff or difficult to open/close, ensure no foreign objects are obstructing the hinge mechanism. Avoid forcing the stand, as this may cause damage.

6.2 Magnetic Attachment Issues

If MagSafe accessories do not attach securely, ensure the accessory is properly aligned with the magnetic ring on the case. Verify that no debris is present between the case and the accessory. For optimal performance, use certified MagSafe accessories.
