SAFETY INFORMATION

While the product information states "not applicable" for specific safety warnings, general safety precautions should always be observed when handling toys, especially those intended for children.

- **Age Recommendation:** This product is recommended for ages 3 years and up. Keep small parts away from younger children to prevent choking hazards.
- **Supervision:** Adult supervision is recommended during play, especially for younger users.
- **Intended Use:** Use the vehicle only as intended for its designated purpose on compatible Carrera First race tracks.
- **Damage:** Do not use the vehicle if it is damaged. Inspect the vehicle regularly for any signs of wear or damage.
- **Cleaning:** Refer to the Maintenance section for proper cleaning instructions.

PACKAGE CONTENTS

Upon opening the package, please ensure all components are present and undamaged. The package should contain:

- 1 x Carrera Spidey 1:50 Scale Vehicle (Model 20065032)
- 1 x Instruction Manual (this document)

Note: Race track components and other accessories are sold separately and are not included with this vehicle.

SETUP

The Carrera Spidey 1:50 Scale Vehicle is designed for use with Carrera First race tracks. Follow these general steps for setup:

1. **Unpacking:** Carefully remove the vehicle from its packaging.
2. **Inspection:** Inspect the vehicle for any visible damage or missing parts.
3. **Track Preparation:** Ensure your Carrera First race track is properly assembled and powered according to its own instruction manual.
4. **Placement on Track:** Gently place the vehicle onto the track, ensuring the guide keel is correctly seated in the track slot and the contact brushes are making proper contact with the track's power rails.

OPERATING INSTRUCTIONS

Once the vehicle is correctly placed on a powered Carrera First track, operation is straightforward:

- **Controller Use:** Use the hand controller provided with your Carrera First track set to control the speed of the vehicle.
- **Speed Control:** Gently press the trigger on the controller to accelerate the vehicle. Release the trigger to slow down or stop.
- **Cornering:** Practice modulating speed, especially around corners, to prevent the vehicle from derailing.
- **Direction:** The vehicle is designed to run in one direction around the track.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your Carrera Spidey vehicle.

- **Cleaning:**
 - Use a soft, dry cloth to wipe down the vehicle body.
 - Periodically check and clean the guide keel and contact brushes. Remove any dust, lint, or hair that may have accumulated.
 - Do not use harsh chemicals, solvents, or abrasive cleaners, as these can damage the plastic and paint.
- **Brush Replacement:** The contact brushes are wear parts. If the vehicle experiences inconsistent power or poor contact, the brushes may need to be replaced. Refer to Carrera's official website or a specialized retailer for replacement parts and instructions.
- **Storage:** Store the vehicle in a clean, dry place away from direct sunlight and extreme temperatures when not in use.

TROUBLESHOOTING

If you encounter issues with your Carrera Spidey vehicle, try the following solutions:

Problem	Possible Cause	Solution
Vehicle does not move.	No power to track. Poor contact between vehicle and track. Damaged contact brushes.	Check track power supply and connections. Ensure guide keel is fully seated and brushes are flat on track. Clean or replace contact brushes.
Vehicle moves erratically or slows down.	Dirty track or brushes. Loose track connections.	Clean track rails and vehicle brushes. Ensure all track sections are securely connected.
Vehicle derails frequently.	Excessive speed in corners. Uneven track surface.	Reduce speed, especially in curves. Ensure track is assembled on a flat, stable surface.
