6. MAINTENANCE

Proper maintenance will extend the life and appearance of your patio furniture set.

- **Cushion Care:** The polyester fabric covers are water repellent. For cleaning, remove the covers and hand wash or machine wash on a gentle cycle with cold water. Air dry only. Do not bleach or iron.
- **Wicker and Frame Cleaning:** Wipe down the PE rattan wicker and steel frames with a damp cloth and mild soap. Rinse thoroughly and dry completely to prevent water spots or corrosion.
- **Fire Pit Maintenance:** Regularly inspect the fire pit for any blockages or damage. Clean the burner and fire glass beads as per the fire pit manual. Ensure the fire pit is completely cool before cleaning.
- **Storage:** When not in use for extended periods or during inclement weather, use the provided waterproof covers to protect the furniture. Store cushions indoors in a dry place to prevent mildew and prolong their life.

- **Glass Tabletop:** The tempered glass tabletop can be cleaned with a glass cleaner and a soft cloth.

7. TROUBLESHOOTING

If you encounter any issues with your furniture set, consider the following common solutions:

- **Unstable Furniture:** Check that all assembly screws are tightened. Adjust the raised feet on each piece to level the furniture on uneven surfaces.
- **Fire Pit Not Lighting:** Ensure the propane tank is full and properly connected. Check the igniter battery (if applicable) and ensure the gas flow is open. Refer to the fire pit manual for specific troubleshooting steps.
- **Cushions Sliding:** Ensure the non-slip backing is clean and dry. Use the integrated fix ties to secure cushions to the sofa frames.
- **Wicker Damage:** For minor fraying, a small amount of clear adhesive can be used to secure loose strands. For significant damage, contact customer support.
