4. SETUP INSTRUCTIONS

4.1 Power Connection

1. Place the speaker on a stable, flat surface.
2. Connect the power cord to the speaker's power input.

3. Plug the other end of the power cord into a standard 220V AC power outlet.

4.2 Wireless Microphone Setup

1. Insert batteries into the wireless microphone (batteries not included).
2. Turn on the microphone using its power switch.
3. The microphone should automatically connect to the speaker. Adjust microphone volume using the dedicated control on the speaker or remote.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

Press the Power button on the speaker's control panel or the remote control to turn the unit on or off.

5.2 Source Selection

Press the 'MODE' button on the speaker or remote to cycle through available input sources: Bluetooth, USB, AUX, and FM Radio.

5.3 Bluetooth Pairing

1. Select Bluetooth mode on the speaker. The display will indicate 'BT' or a similar pairing status.
2. Enable Bluetooth on your smartphone, tablet, or other device.
3. Search for 'AKAI UltraBoom-60' in your device's Bluetooth list and select it to pair.
4. Once paired, the speaker will confirm the connection, and you can play audio wirelessly.

5.4 USB Playback

1. Insert a USB drive containing MP3 audio files into the USB port.
2. Select USB mode on the speaker.
3. Playback will begin automatically. Use the remote or control panel to navigate tracks and adjust volume.

5.5 AUX Input

1. Connect an audio device (e.g., TV, PC, smartphone) to the speaker's AUX input using a 3.5mm audio cable (not included).

2. Select AUX mode on the speaker.
3. Audio from your connected device will play through the speaker.

5.6 FM Radio

1. Select FM mode on the speaker.
2. Press the 'Play/Pause' button to initiate an automatic scan for FM stations.
3. Use the 'Previous/Next' buttons to switch between saved stations.

5.7 Audio Controls

- **Volume:** Adjust the main volume using the rotary knob on the speaker or the volume buttons on the remote.
- **Bass/Treble:** Use the dedicated Bass and Treble controls on the speaker or remote to fine-tune the audio output.
- **EQ Modes:** Press the 'EQ' button on the remote to cycle through preset equalizer modes: Pop, Rock, Jazz, Classical.

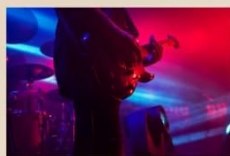

EQ Mode Display

With built-in EQ modes, you can choose your perfect sound setting, tailoring your music, movies, and games to your preference.

Enhance party mood

Perfect for House Parties | Karaoke Nights | Family Fun

Image 5.3: Users engaging in karaoke with the AKAI UltraBoom-60 speaker and wireless microphone.

5.9 LED Lights

The dynamic LED lights automatically synchronize with the music. There are no specific user controls for the LED patterns; they are designed to enhance the audio experience visually.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Do not use liquid cleaners or abrasive materials.

- **Storage:** When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Ventilation:** Ensure the speaker has adequate ventilation to prevent overheating. Do not block any vents.
- **Water Exposure:** This speaker is not waterproof. Avoid exposure to water or high humidity.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cord not connected; Power outlet not working	Ensure power cord is securely plugged in; Test the outlet with another device.
No sound	Volume too low; Incorrect source selected; Device not connected properly	Increase volume; Select correct input source (Bluetooth, USB, AUX); Reconnect audio cable or re-pair Bluetooth device.
Bluetooth pairing failure	Speaker not in pairing mode; Device too far; Interference	Ensure speaker is in Bluetooth mode; Move device closer to speaker (within 10 meters); Turn off other Bluetooth devices.
Microphone not working	Microphone off; Low batteries; Mic volume too low	Turn on microphone; Replace batteries; Increase 'MIC VOL' on speaker/remote.
FM radio poor reception	Weak signal; Interference	Reposition the speaker; Try scanning for stations again.
