EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser

EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser User Manual

A gentle face cleanser clinically proven to strengthen the skin barrier and reduce skin water loss.

1. Product Overview

The EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser is designed to gently cleanse the skin while supporting its natural barrier function. This foaming cleanser is suitable for various skin types, including sensitive skin.

Image 1.1: Front view of the EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser bottle.

Key Benefits:

- Helps to calm skin and reduce the appearance of facial redness.
- Removes makeup, sunscreen, and environmental impurities.
- Leaves skin feeling clean and hydrated without causing dryness or irritation.
- Formulated with a patented blend of 3 Amino Acids (AAComplex) to help restore and strengthen the skin barrier.

Image 1.2: Visual representation of product benefits including suitability for all skin types, redness reduction, and effective cleansing.

Image 1.3: Icons indicating the cleanser is hypoallergenic, oil-free, fragrance-free, paraben-free, dye-free, and noncomedogenic.

2. Usage Instructions

Application:

1. Dispense 1-2 pumps of the cleanser onto damp skin.
2. Gently massage the foam onto your face and neck in circular motions.
3. Rinse thoroughly with warm water.
4. Pat skin dry with a clean towel.
5. Follow with your preferred skincare routine and apply SPF in the morning.

Use this cleanser both in the morning and evening for optimal results.

3. Product Composition and Technology

The EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser features the AAComplex technology, a patented blend of three amino acids: Taurine, Glycine, and Arginine. These ingredients work synergistically to support skin recovery and strengthen the skin's natural barrier.

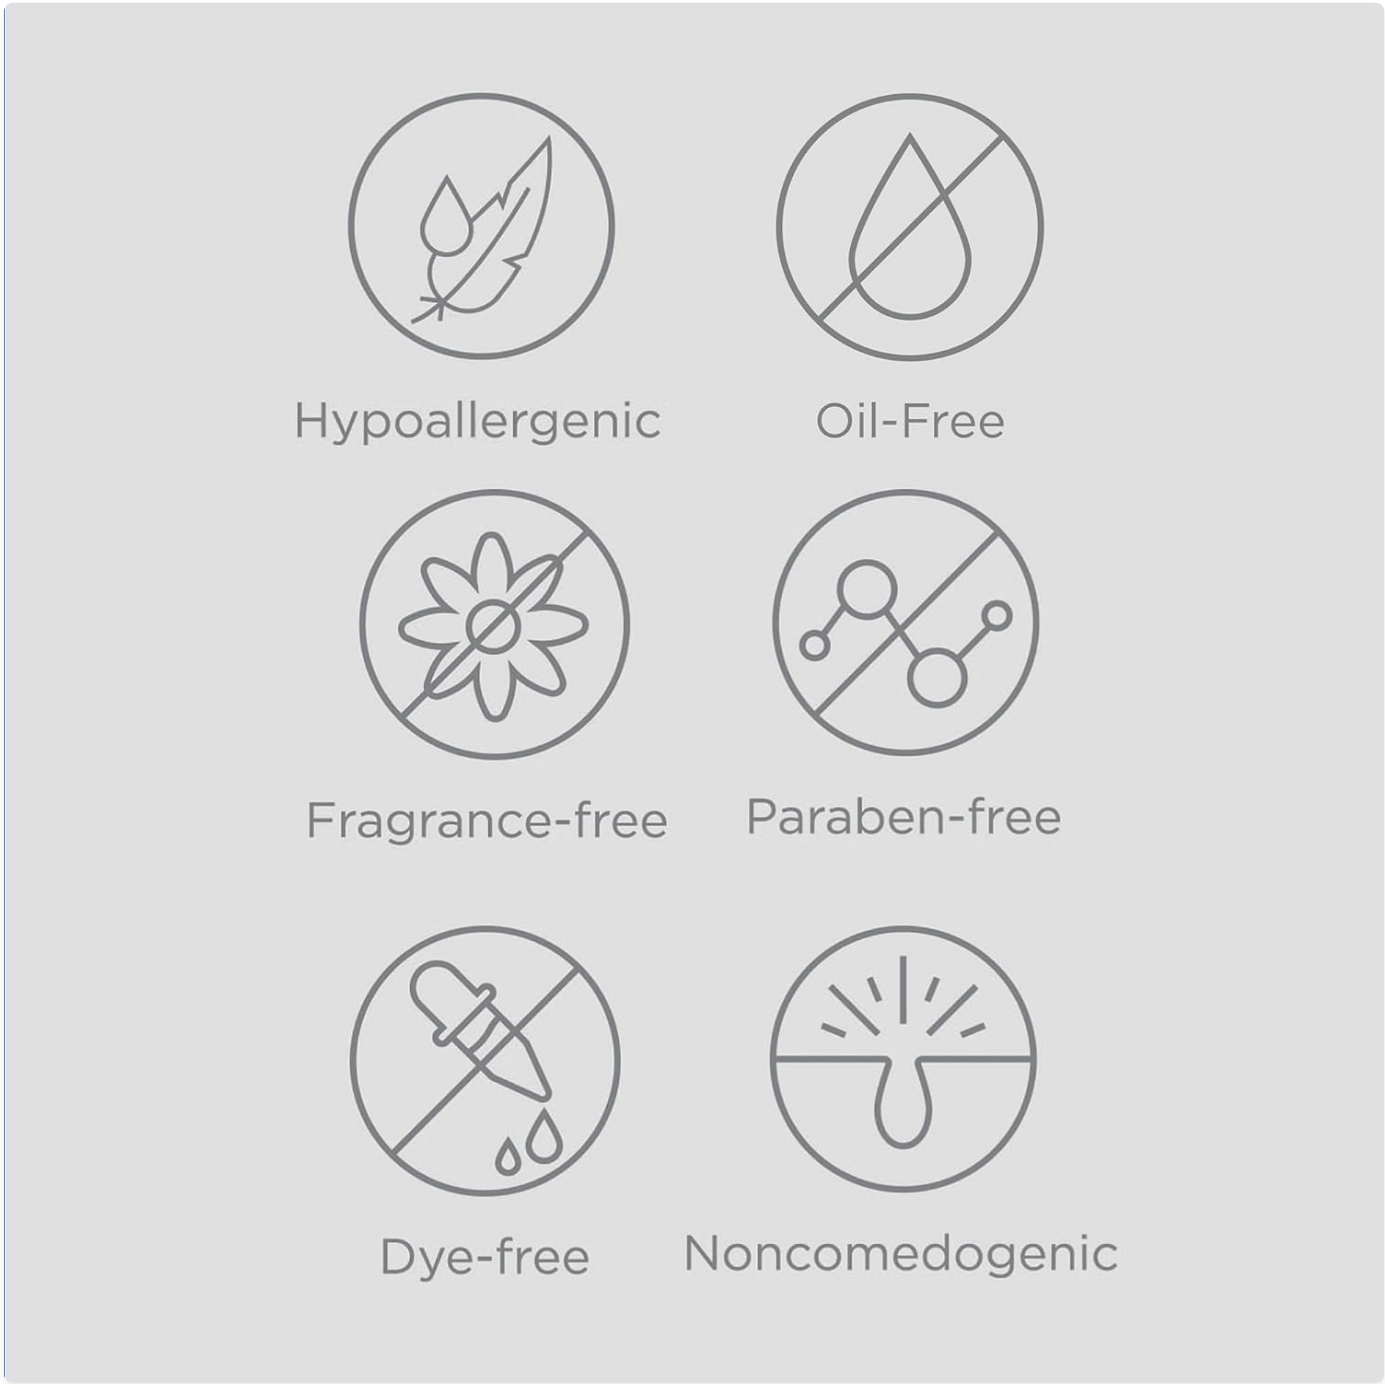

Image 3.1: Illustration of the AAComplex technology, highlighting Taurine, Glycine, and Arginine.

This formulation is dermatologically tested and designed to be gentle on sensitive skin, helping to reduce visible facial redness and improve overall skin hydration.

Image 3.2: Clinical results demonstrating a reduction in visible facial redness after 14 days of product use.

4. Specifications

Feature	Detail
Product Dimensions	1.47 x 1.47 x 4.06 inches
Weight	2.4 ounces
UPC	827854012757
ASIN	B0D6PQKBN8
Manufacturer	EltaMD Skin Care

5. Storage and Care

To maintain the efficacy and integrity of your EltaMD Skin Recovery Amino Acid Foaming Facial Cleanser, store it in a cool, dry place away from direct sunlight. Ensure the cap is securely closed after each use to prevent contamination and maintain product freshness.

No special cleaning procedures are required for the bottle or dispenser. If the dispenser becomes clogged, rinse it with warm water.

6. Troubleshooting and Safety Information

Potential Skin Reactions:

- While formulated for sensitive skin, discontinue use if irritation, excessive redness, or discomfort occurs. Consult a dermatologist if symptoms persist.
- Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water.

General Safety:

- For external use only.
- Keep out of reach of children.
