RedLemon BDCLSD

RedLemon 60-inch Farmhouse L-Shaped Executive Desk

Model: BDCLSD

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your RedLemon 60-inch Farmhouse L-Shaped Executive Desk. Please read these instructions carefully before assembly and use to ensure safe and proper functionality.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before beginning assembly.
- Follow the assembly instructions precisely. Do not deviate from the steps provided.
- Assembly is recommended for 2 people.
- Do not use power tools for assembly unless specifically instructed, as this may damage the components.
- Do not exceed the maximum weight capacity of 150 lbs for the tabletop.
- Do not exceed the maximum weight capacity of 30-50 lbs for the drawers.
- Use caution when moving or adjusting the desk to prevent injury or damage.
- Keep small parts away from children during assembly.
- Periodically check all connections and fasteners to ensure they remain tight.

PACKAGE CONTENTS

Your RedLemon L-Shaped Executive Desk package includes the following components:

- 60" x 60" Farmhouse L-Shaped Desk components
- Assembly Guide
- Screw Pack (with spare parts)
- Integrated AC Power Unit (Charging Station)

Note: The item may be delivered in two separate cartons. Please ensure both cartons are received before beginning assembly.

ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are provided in the separate Assembly Guide included with your package. All parts and accessories are identified with numbered stickers for easy recognition. Please follow the step-by-step diagrams and instructions carefully.

General Assembly Tips:

- **Unpack and Identify:** Lay out all components and hardware. Match them against the parts list in the Assembly Guide.
- **Tools Required:** A screwdriver is typically sufficient. Avoid using power drills unless explicitly stated, and if used, set to the lowest torque to prevent stripping screws or damaging wood.
- **Two-Person Assembly:** While some steps can be done alone, assembly is significantly easier and safer with two people.
- **Location:** Assemble the desk in the room where it will be used, as the assembled unit is heavy (approximately 158

lbs) and may be difficult to move.

- **Drawer Adjustment:** If drawers do not close smoothly, check the alignment of the brackets and adjust as necessary.

FEATURES AND OPERATION

Spacious Work Surface

The desk features a generous 60" x 60" L-shaped tabletop, providing ample space for multiple monitors, laptops, documents, and other office essentials. The design allows for efficient organization and a comfortable working environment.

Convenient Charging Station
(2 usb ports + 2 outlets)

Storage Drawers

The desk is equipped with three standard box drawers for storing smaller items such as paper pads, notebooks, and calculators. Additionally, a dedicated file drawer is included, designed to hold letter-size hanging files, keeping your documents organized and accessible.

Storage Cabinet

A flexible storage cabinet provides additional space for supplies or can accommodate a vertical CPU tower. The cabinet includes adjustable shelves, allowing you to customize the storage configuration to suit your needs. If storing a CPU, ensure the cabinet door is open for proper ventilation and heat dissipation.

A LARGE STORAGE CABINET

Image: The storage cabinet with its door open, revealing adjustable shelves and demonstrating its capacity for various items.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the wood.
- **Protection:** Use coasters under beverages and protective pads under hot items to prevent marks.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Movement:** When moving the desk, lift it rather than dragging it to prevent damage to the legs and frame.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Drawers do not close smoothly or are misaligned.	Incorrect installation of drawer slides or brackets.	Review the assembly guide for drawer slide installation. Adjust the brackets slightly if needed to ensure proper alignment.
Desk feels wobbly after assembly.	Loose screws or uneven floor.	Ensure all screws are tightened securely. If the floor is uneven, use furniture levelers (not included) under the desk feet.
Charging station is not working.	Not plugged in, power outlet issue, or internal wiring problem.	Verify the charging station's power cord is securely plugged into a functional wall outlet. Check the circuit breaker. If issues persist, contact customer support.
Missing parts during assembly.	Oversight during unpacking or packaging error.	Carefully re-check all packaging materials. If parts are still missing, contact RedLemon customer support with your model number and a description of the missing parts.
