

BrickCraftWorks SU-57 Stealth Fighter (Model 9HMNEV35U38W145)

BrickCraftWorks SU-57 Stealth Fighter Building Kit

Model: SU-57 Stealth Fighter (9HMNEV35U38W145)

Brand: BrickCraftWorks

INTRODUCTION

Thank you for choosing the BrickCraftWorks SU-57 Stealth Fighter Building Kit. This set allows you to construct a detailed 1/70 scale model of the Russian Army SU-57 Stealth Fighter using 405 high-quality building blocks. Designed for enthusiasts aged 16 and up, this kit provides an engaging and rewarding building experience, resulting in a stable and visually impressive display model. The design is authorized by DarthDesigner.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Age Recommendation:** This building kit is recommended for individuals aged 16 and older.
- **Handling:** Keep all building blocks and assembled models away from open flames or high heat sources.
- **Supervision:** While designed for teens and adults, adult supervision is recommended for younger builders to ensure safe assembly.

PACKAGE CONTENTS

Your BrickCraftWorks SU-57 Stealth Fighter Building Kit package includes:

- 1 set of building blocks (405 pieces)
- Detailed assembly instructions (provided in this manual and/or accompanying PDF)

ASSEMBLY INSTRUCTIONS (SETUP)

Follow these steps carefully to assemble your SU-57 Stealth Fighter model. The kit contains 405 premium parts designed for precise color and easy disassembly, ensuring a stable structure.

1. **Unpack and Organize:** Carefully open the package and sort the building blocks by color and shape. This will simplify the assembly process.

2. **Review Instructions:** Familiarize yourself with the overall assembly sequence by reviewing the provided instructions.
3. **Step-by-Step Construction:** Begin assembling the model piece by piece, following the detailed diagrams. Pay close attention to the orientation and placement of each block.
4. **Secure Connections:** Ensure all blocks are firmly connected to create a robust and stable structure.
5. **Final Touches:** Once the main structure is complete, attach any remaining detail pieces to finish your model.

OPERATING (DISPLAY AND HANDLING)

Once assembled, your SU-57 Stealth Fighter model is ready for display. Handle the model with care to preserve its structure and details.

- **Display:** Place the model on a stable, flat surface away from direct sunlight, excessive heat, or high humidity to prevent material degradation.
- **Handling:** When moving the model, support it from the main body to avoid putting stress on smaller, delicate parts.

MAINTENANCE

To keep your BrickCraftWorks SU-57 Stealth Fighter model in optimal condition:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. Avoid using liquid cleaners, solvents, or abrasive materials, as these can damage the plastic blocks.
- **Storage:** If disassembling for storage, keep parts organized in a container to prevent loss.

TROUBLESHOOTING

Should you encounter any issues during or after assembly, please refer to the following:

- **Missing Parts:** We conduct strict quality checks to ensure all parts are included. However, if your kit is still missing parts, please contact BrickCraftWorks customer support, and we will arrange to send you the necessary missing components.
- **Assembly Difficulty:** Double-check the instructions and diagrams. Sometimes a small detail can be overlooked. Ensure blocks are pressed firmly together.
