RedLemon 60" Farmhouse Desk with Hutch Instruction Manual

Model: BDCHTC

Introduction

Thank you for choosing the RedLemon 60" Farmhouse Desk with Hutch. This desk is designed to provide a functional and aesthetically pleasing workspace with ample storage and convenient features. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

Important Safety Information

Please read and understand all safety information before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Heavy Object:** Always use two people to move the desk. This product is heavy and requires careful handling to prevent personal injury or damage to the unit.
- **Assembly Required:** Follow the included assembly guide carefully. Ensure all parts are correctly aligned and secured before use.
- **Ventilation:** If placing a CPU tower in the storage cabinet, it is necessary to open the door for ventilation and heat dissipation to prevent overheating.
- **Weight Capacity:** Do not exceed the stated weight capacities. Tabletop weight capacity: 150 Lbs. Drawer weight capacity: 30/50 Lbs.
- **Stability:** Ensure the desk is placed on a flat, stable surface to prevent tipping.

Setup and Assembly

Assembly of your RedLemon Farmhouse Desk with Hutch requires attention to detail. It is highly recommended to have two people for assembly due to the size and weight of the components. Each package comes with detailed Installation Instructions, and all parts and accessories are easily identified with numbered stickers for easy recognition. A pack of spare parts is also supplied in case of loss of hardware during assembly.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all components listed in the packing list

are present and undamaged.

2. **Prepare Workspace:** Clear a spacious area for assembly. Lay down a blanket or cardboard to protect the floor and furniture components from scratches.
3. **Follow Instructions:** Refer to the step-by-step installation instructions provided in your package. Pay close attention to diagrams and part numbers.
4. **Assemble Base Unit:** Begin by assembling the main desk base, including the side pedestals and central keyboard tray section.
5. **Install Drawers and Cabinet:** Insert the box drawers, keyboard tray, file drawer, and assemble the storage cabinet. Ensure drawer slides operate smoothly.
6. **Assemble Hutch Unit:** Construct the upper hutch, including the sliding barn doors and internal shelving.
7. **Attach Hutch to Desk:** Carefully lift and secure the hutch unit onto the desk base. This step requires two people.
8. **Connect Charging Station:** Install the integrated charging station into its designated slot on the tabletop.
9. **Final Checks:** Ensure all screws and fasteners are tightened. Test all drawers and doors for smooth operation.

Maintenance

To maintain the appearance and longevity of your RedLemon Farmhouse Desk with Hutch, follow these simple care

instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Heat and Moisture:** Protect the surface from extreme heat and moisture. Use coasters under drinks and heat pads under hot items.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Hardware:** Periodically check and tighten all hardware to ensure stability.

Troubleshooting

This section addresses common issues you might encounter with your desk. If you experience problems not covered here, please contact RedLemon customer support.

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned slides or loose hardware.	Check that drawer slides are properly aligned and securely fastened. Ensure no obstructions are in the way.
Desk feels wobbly.	Loose assembly hardware or uneven floor.	Tighten all assembly screws. If on an uneven floor, use shims under the desk legs to stabilize.
Charging station not working.	Not plugged in, faulty outlet, or internal wiring issue.	Ensure the desk's power cord is securely plugged into a working wall outlet. Test the outlet with another device. If the issue persists, contact customer service.
Sliding barn doors are stiff.	Dust or debris in the track, or misaligned rollers.	Clean the track with a soft cloth. Check that the rollers are properly seated and not damaged.
