

Edifier Air2

Edifier Air 2 Open Ear Earbuds User Manual

Model: Air2

INTRODUCTION

Welcome to your Edifier Air 2 Open Ear Earbuds. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance and longevity of your device. Please read this manual thoroughly before using the product.

Image: The Edifier Air 2 Open Ear Earbuds, showcasing their ergonomic design and white finish.

PACKAGE CONTENTS

Please verify that all items are present in your package:

- Edifier Air 2 Earbuds (x2)
- Charging Case (x1)
- USB Charging Cable (x1)
- Quick Start Guide (x1)

Image: An illustration of the Edifier Air 2 package contents, including the earbuds, charging case, and accessories.

SETUP

Initial Charging

Before first use, fully charge the earbuds and the charging case to ensure optimal battery performance.

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging case's port and then to a compatible USB power source.
3. The indicator lights on the charging case will illuminate to show the charging status. Once fully charged, the lights may change or turn off.

Bluetooth Pairing

Follow these steps to pair your Edifier Air 2 earbuds with your device:

1. Ensure the earbuds are in the charging case and the case lid is open. This puts them into pairing mode.
2. On your smartphone, tablet, or other Bluetooth-enabled device, navigate to the Bluetooth settings.
3. Enable Bluetooth and search for available devices.
4. Select "Edifier Air 2" from the list of found devices to initiate the connection.
5. A voice prompt from the earbuds will confirm successful pairing.

Wearing the Earbuds

The Edifier Air 2 features an open-ear design with adjustable silicone earhooks for a secure and comfortable fit, allowing you to stay aware of your surroundings.

- 1. Gently place each earbud over your ear, ensuring the silicone earhook wraps comfortably around the back of your ear.
- 2. Adjust the earbud's position so the speaker is aligned with your ear canal without blocking it, allowing for open-ear audio.

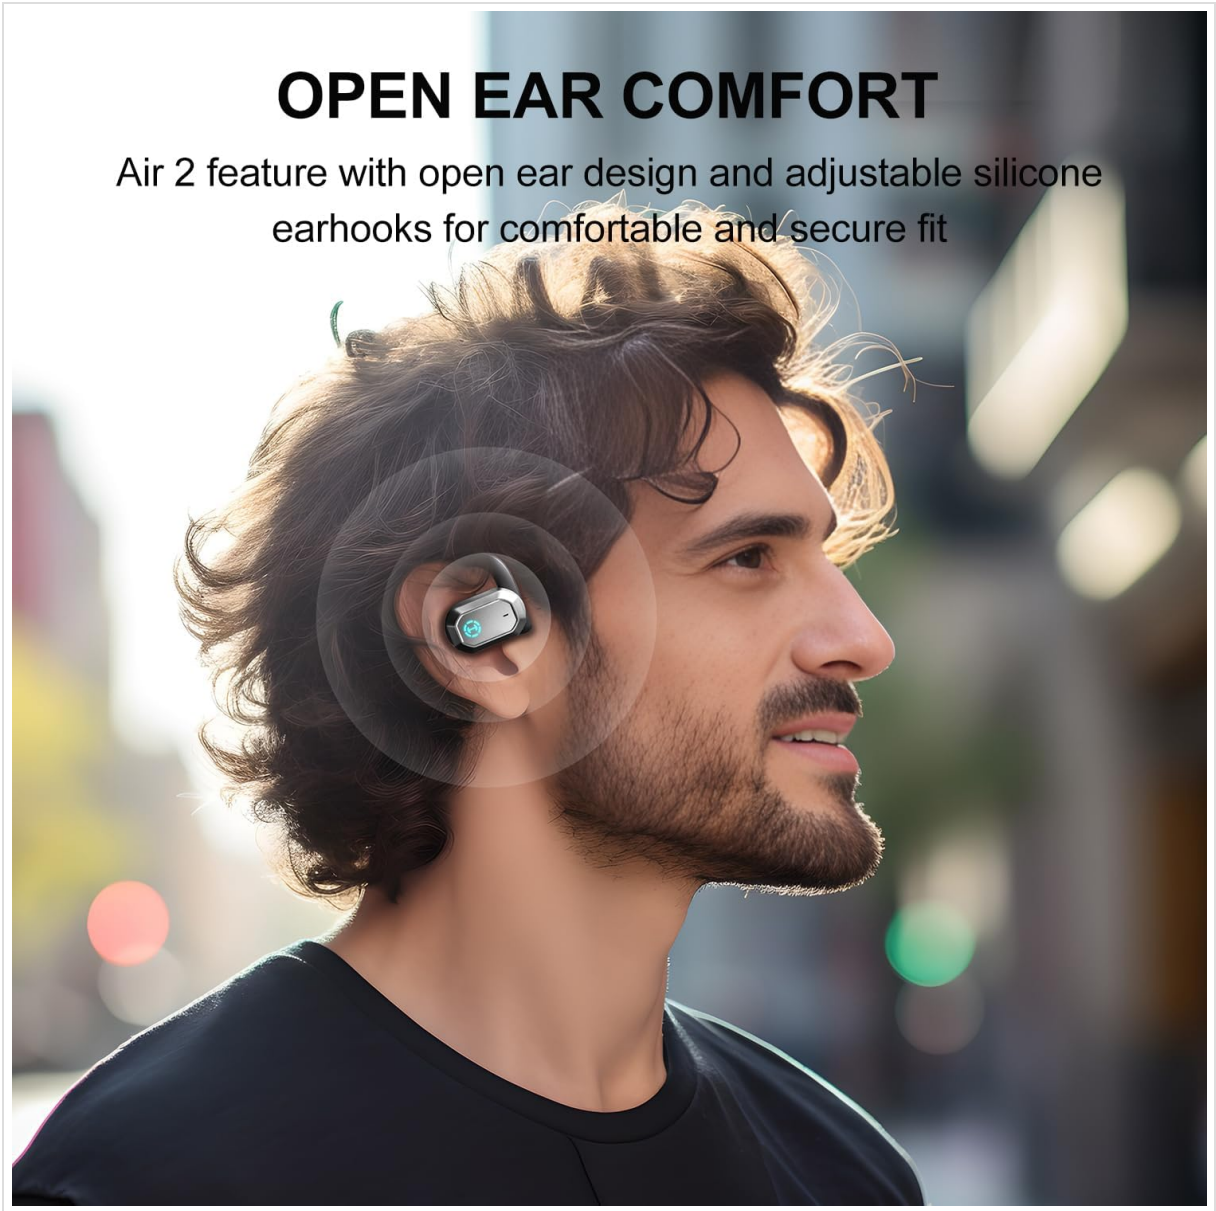

Image: A user demonstrating the comfortable and secure fit of the Edifier Air 2 open-ear earbuds.

Touch Controls

The earbuds feature touch-sensitive controls on their outer surface for easy management of audio playback and calls.

Edifier Air 2 Touch Control Functions

Action	Left Earbud	Right Earbud
--------	-------------	--------------

Action	Left Earbud	Right Earbud
Play/Pause	Double tap	Double tap
Previous Track	Tap and hold 2s	N/A
Next Track	N/A	Tap and hold 2s
Switch Game/Music Mode	Triple tap	Triple tap
Accept/End Call	Double tap	Double tap
Reject Call	Tap and hold 2s	Tap and hold 2s
Light Effects On/Off	Quadruple tap	Quadruple tap

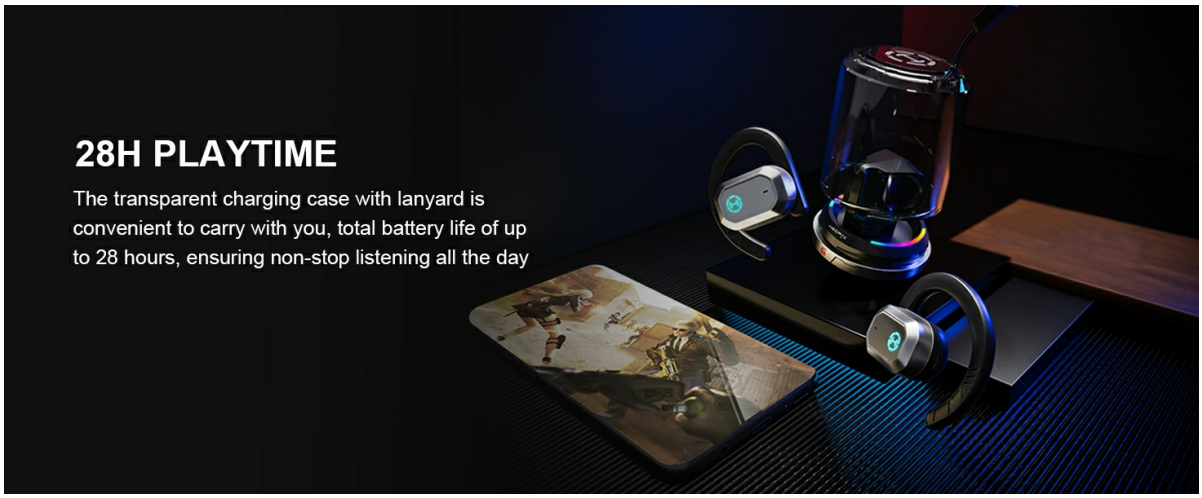

Image: A detailed guide to the touch controls on the Edifier Air 2 earbuds.

Game Mode / Music Mode

The Edifier Air 2 earbuds offer two distinct audio modes:

- **Game Mode:** Provides ultra-low latency for a more immersive gaming experience with boosted bass.
- **Music Mode:** Delivers a well-balanced sound profile suitable for various music genres.

To switch between modes, triple tap either earbud (refer to the Touch Controls table above).

IMMERSIVE GAME MODE

Game mode with ultra low latency and unique RGB light for immersive gaming with boosted bass

Image: A user engaged in gaming, highlighting the benefits of the immersive game mode.

KEY FEATURES

Open Ear Design

The innovative open-ear design ensures that your ear canal remains unblocked, allowing you to hear your audio clearly while also staying aware of your ambient surroundings. This feature is particularly beneficial for outdoor activities such as running, cycling, or commuting, where situational awareness is crucial for safety.

STAY AWARE OF YOUR SURROUNDINGS

Never block your ear, safer for outdoor use

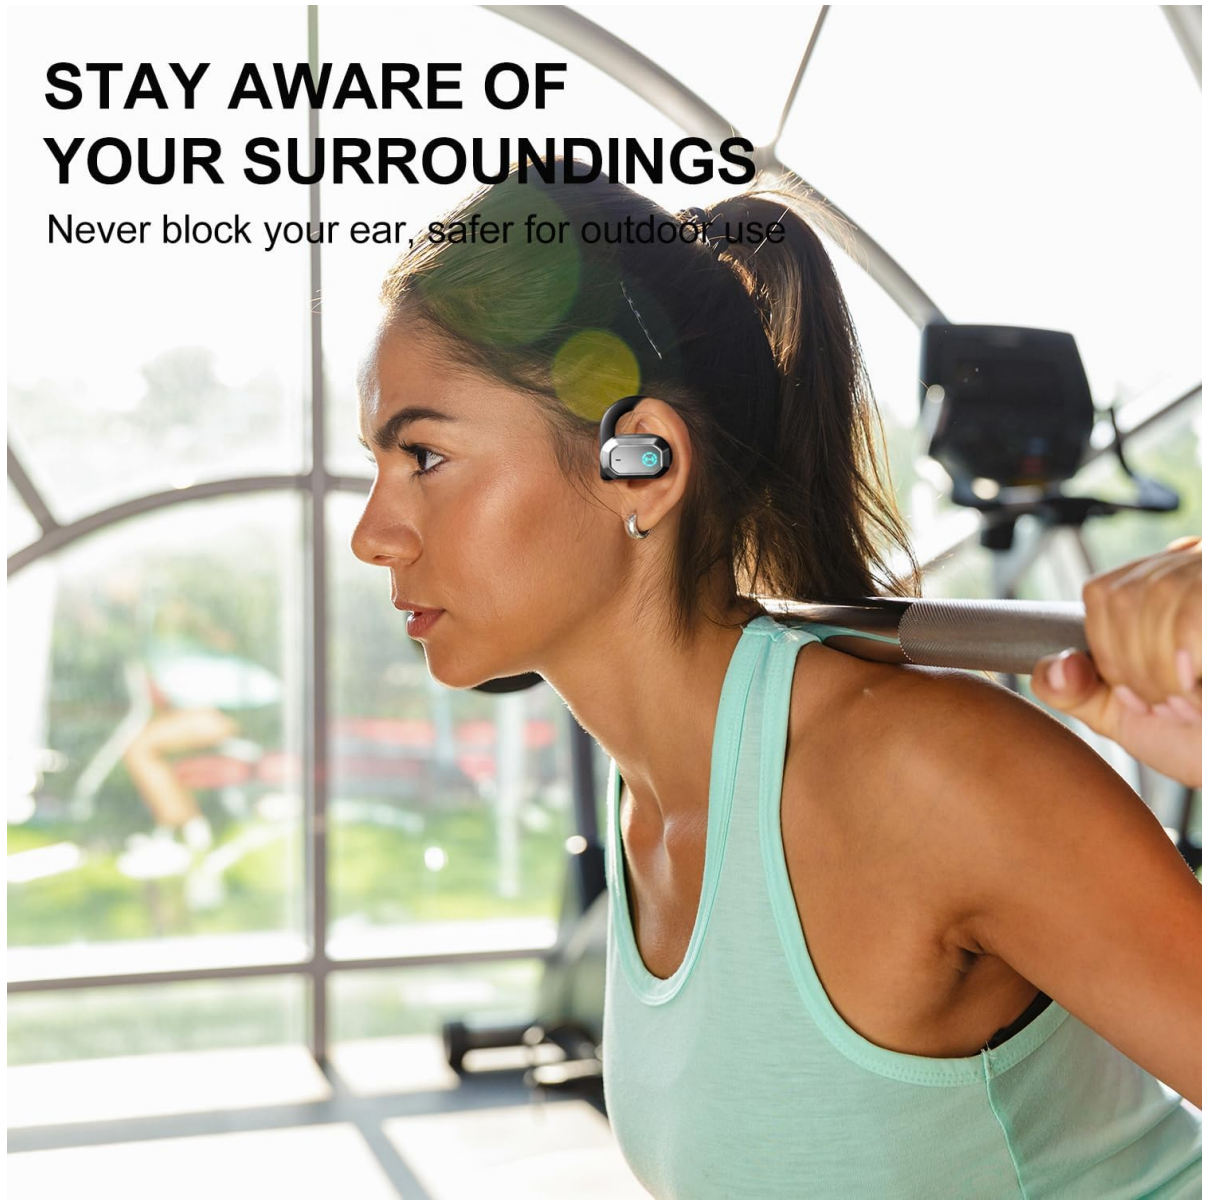

Image: A user enjoying outdoor activity with the Edifier Air 2, emphasizing environmental awareness.

High-Quality Audio

Experience rich and dynamic sound with the Edifier Air 2. It is equipped with 14.2mm dynamic drivers, a DHSB dynamic subwoofer, and a Low-frequency DSP chipset. This combination delivers clear stereo sound with pronounced bass. Advanced directional audio transmission technology minimizes sound leakage, providing a more private listening experience.

HIGH QUALITY AUDIO

Immerse yourself in incredible dynamic audio

SPECIFICATIONS

Detailed technical specifications for the Edifier Air 2 Open Ear Earbuds:

Feature	Specification
Model Name	Air 2
Connectivity	Bluetooth 5.3
Driver Size	14.2mm Dynamic Driver
Frequency Response	20 Hz - 20,000 Hz
Sensitivity	92 dB
Impedance	24 Ohm
Total Playtime	Up to 28 hours (with charging case)
Charging Case Battery Capacity	500 mAh
Control Type	Touch Control
Microphone	Built-in, Noise Cancelling
Water Resistance Level	Not Water Resistant
Item Weight (Earbuds)	90 Grams
Material	Silicone (earhooks), Plastic (case)

MAINTENANCE

Proper care and maintenance will help extend the life of your Edifier Air 2 earbuds:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Environment:** Avoid exposing the earbuds to extreme temperatures, high humidity, or direct sunlight. Do not immerse the earbuds or charging case in water.
- **Charging:** Use only the provided USB charging cable or a certified equivalent.

TROUBLESHOOTING

If you encounter issues with your Edifier Air 2 earbuds, refer to the following common solutions:

Earbuds not pairing or connecting

- Ensure both earbuds are sufficiently charged.
- Make sure the earbuds are within the Bluetooth range (approximately 33 feet or 10 meters) of your device.

- Turn off and then turn on Bluetooth on your device.
- Try placing the earbuds back into the charging case, closing the lid, waiting a few seconds, and then opening it again to re-enter pairing mode.
- If issues persist, consult the Quick Start Guide for specific earbud reset instructions.

No sound or low volume

- Check the volume level on both your connected device and the earbuds.
- Ensure the earbuds are properly seated in your ears, with the speakers aligned correctly.
- Re-pair the earbuds with your device.
- Test with different audio content or another device to isolate the problem.

Call quality issues

- Ensure the microphone on the earbuds is not obstructed.
- Move to an area with less background noise to improve clarity.
- Check your device's call settings to ensure the Edifier Air 2 is selected as the audio output.

WARRANTY AND SUPPORT

For detailed warranty information, product registration, and technical support, please visit the official Edifier website or contact Edifier customer service directly. It is recommended to retain your proof of purchase for warranty claims.
