2. KEY FEATURES

- **Multifunctional LED Lighting:** Features 60,000 color rhythm LED lights, easily adjustable via remote control or a dedicated app. Offers various modes including microphone and music rhythm synchronization, and a timer function to create a personalized atmosphere for any occasion.
- **Integrated Charging Station:** Equipped with 2 AC sockets and 2 USB ports (5V/2.4A) with a 1.5m flexible cable. This UL/ETL certified power board helps keep your devices charged and your space tidy.
- **Ample Storage Capacity:** Measuring 13.46"D x 47.01"W x 31.3"H, this media console is suitable for TVs up to 55 inches. It includes nine detachable fabric drawers and a spacious wood top, providing extensive storage for entertainment equipment and daily essentials, along with display space for decor.

- **Durable and Safe Materials:** Drawers are constructed from a 3-layer design of high-quality fiberboard, easy-to-clean PVC, and breathable non-woven fabric. The desktop is made of P2 grade artificial wood, which is scratch-resistant and easy to maintain. All materials are strictly tested by EPA&SGS for health and environmental safety.
- **Thoughtful Design Details:** Features smooth slide tracks and curved handles for effortless drawer operation. Six all-directional adjustable feet ensure stability on various floor types and protect surfaces from scratches.
- **Enhanced Structural Stability:** Built with a 15mm thickened metal steel frame and cross support rods, ensuring durability and supporting up to 160 lbs. An included anti-tilt device allows for secure wall mounting, enhancing safety for your family and pets.
- **Simplified Assembly:** Comes with a comprehensive assembly guide, clearly marked screw parts, pre-drilled holes, and all necessary tools, allowing for quick and hassle-free assembly within approximately one hour.

3. SETUP & ASSEMBLY

Your WLIVE TV Stand is designed for straightforward assembly. Please follow the included detailed assembly guide for step-by-step instructions. All necessary tools and clearly marked parts are provided to facilitate a quick setup.

3.1 Component Identification

Before beginning assembly, unpack all components and verify them against the parts list in your separate assembly guide. Ensure all pieces are present and undamaged.

5. MAINTENANCE & CARE

Proper care will ensure the longevity and appearance of your WLIVE TV Stand.

- **Cleaning the Wood Top:** The P2 grade artificial wood top is scratch-resistant and easy to clean. Use a soft, damp cloth to wipe away dust and spills. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Fabric Drawers:** The PVC and non-woven fabric drawers are easy to clean. Spot clean with a mild detergent and damp cloth. Allow to air dry completely before reinserting.
- **Stability Check:** Periodically check the adjustable feet and the anti-tilt device to ensure they are secure and functioning correctly. Adjust the feet as needed to maintain stability.
- **Safety:** Always ensure the anti-tilt device is properly installed, especially in households with children or pets, to prevent tipping hazards.

6. TROUBLESHOOTING

If you encounter any issues with your WLIVE TV Stand, please refer to the following common solutions:

Problem	Possible Cause	Solution
LED lights not working	Power connection loose; remote/app issue; light strip damage.	Check power cable connection. Ensure remote/app is properly paired and batteries are working. Inspect light strip for visible damage.
Charging station not providing power	Power cable loose; device not compatible; circuit overload.	Verify power cable is securely plugged into a wall outlet. Ensure your device is compatible with the output specifications. Avoid overloading the outlets.
Drawers are stiff or not sliding smoothly	Drawer misalignment; obstruction; worn tracks.	Ensure drawers are correctly inserted into their slots. Check for any items obstructing the tracks. Clean tracks if dusty.
Stand feels unstable/wobbly	Uneven floor; adjustable feet not set correctly; loose frame connections.	Adjust the individual adjustable feet to level the stand. Check and tighten all frame screws. Ensure anti-tilt device is properly installed.
