WLIVE ASNG109BL

User Manual for WLIVE Black Dresser with LED Lights and Charging Station

Model: ASNG109BL
Brand: WLIVE

Product Overview

The WLIVE Black Dresser is a versatile storage solution designed for bedrooms, living rooms, and closets. It features six fabric drawers, open shelving, integrated LED lighting with customizable colors and modes, and a built-in charging station with AC outlets and USB ports. Its sturdy construction ensures durability and stability.

Safety Information

To ensure safe use of your WLIVE dresser, please adhere to the following guidelines:

- **Anti-Topple Device:** This dresser is equipped with an anti-topple device. It is crucial to securely fix the cabinet to the wall using the provided components to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum weight capacity for each shelf and drawer. The top surface supports up to 66 pounds.

- **Electrical Safety:** The integrated charging station is UL/ETL certified. Do not overload the outlets. Ensure all cables are properly routed and secured to prevent tripping hazards or damage.
- **Stable Placement:** Place the dresser on a flat, stable surface. Use the adjustable feet to level the unit and prevent wobbling.
- **Assembly:** Follow all assembly instructions carefully. Do not skip steps or use unapproved parts.

Setup and Assembly

This section provides a general guide for assembling your WLIVE dresser. For detailed, step-by-step visual instructions, please refer to the official assembly video below.

1. Unpack all components and verify against the parts list in the assembly video.
2. Assemble the main frame structure using the provided screws and tools.
3. Attach the wooden shelves to the frame.
4. Install the LED light strip and charging station according to the instructions.
5. Assemble the fabric drawers by attaching the handles and inserting the bottom panels.
6. Insert the assembled drawers into the frame.
7. Secure the anti-topple device to the wall.

Operating Instructions

LED Lights Operation

The integrated LED light strip offers extensive customization options:

- **Control:** The LED lights can be controlled via a remote control or a dedicated mobile application.
- **Color Options:** Choose from over 6000 colors to match your mood or room decor.
- **Scene Modes:** Select from 12 pre-set scene modes for various atmospheres.
- **Adjustments:** Adjust the speed and brightness of the lighting effects.
- **Music Synchronization:** The lights can synchronize with music, providing dynamic lighting for entertainment.

Charging Station Usage

The built-in charging station provides convenient power access:

- **AC Outlets:** Features 2 standard AC outlets (125V/12A) for powering devices like TVs, game consoles, or routers.
- **USB Ports:** Includes 2 USB ports (5V/2.4A) for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is equipped with a 5-foot flexible power cord.
- **Cable Management:** Utilize the design to neatly route cables and maintain a tidy appearance.

Maintenance

Regular maintenance will help preserve the appearance and functionality of your dresser:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** The fabric drawers are detachable. For cleaning, spot clean with a mild detergent and allow to air dry completely. Do not machine wash.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **LED Lights:** If the LED lights malfunction, check the connections. Do not attempt to repair the LED strip yourself; contact customer support.

- **Charging Station:** Keep the charging station free from dust and debris. Do not expose to liquids.

Troubleshooting

Problem	Possible Cause	Solution
Dresser is wobbly.	Uneven floor or loose adjustable feet.	Adjust the feet at the bottom of the dresser until it is stable. Ensure all assembly screws are tightened.
LED lights are not working.	Power connection issue, remote battery dead, or app connectivity problem.	Check if the LED strip is properly plugged into the power source. Replace remote batteries. Ensure Bluetooth is enabled on your device for app control.
Charging station not providing power.	Power cord not plugged in, circuit breaker tripped, or device not properly connected.	Ensure the dresser's main power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Verify devices are correctly plugged into the AC outlets or USB ports.
Drawers are difficult to open/close.	Overloaded drawers or misaligned fabric.	Reduce the weight in the drawers. Ensure the fabric is not caught or bunched up. Check that the drawer bottom panel is fully inserted.

Specifications

Feature	Detail
Brand	WLIVE
Model Name	ASNG109 Fabric dresser/BL (ASNG109BL)
Product Dimensions	11.7"D x 39.6"W x 31.6"H
