1. INTRODUCTION

Thank you for choosing GNMN Wireless Earbuds. These Bluetooth headphones are designed to provide a comfortable and secure fit, making them ideal for running and other active lifestyles. They offer high-fidelity sound and extended battery life for an enhanced audio experience. This manual provides detailed instructions on how to set up, operate, maintain, and troubleshoot your new earbuds.

Image 1.1: GNMN Wireless Earbuds and Charging Case. The earbuds are shown securely placed within their open charging case, which features a digital display indicating battery percentage.

2. SAFETY INFORMATION

Please read all safety warnings and instructions before using this product to ensure proper operation and prevent damage. Keep this manual for future reference.

- Do not expose the earbuds or charging case to extreme temperatures, humidity, or liquids.

- Avoid dropping, impacting, or disassembling the device.
- Do not use abrasive cleaning agents or harsh chemicals.
- Listen at moderate volume levels to prevent hearing damage.
- Keep out of reach of children and pets.

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case features a digital display to show the battery percentage.

- **USB-C Charging:** Connect the provided USB-C cable to the charging port on the case and to a USB power source.
- **Wireless Charging:** Place the charging case on a compatible wireless charging pad (not included).

Image 3.1: Wireless and USB-C Charging. The charging case is depicted on a wireless charging pad, illustrating its dual charging capabilities. A USB-C port is also visible on the case.

3.2 Pairing with a Device

The earbuds are designed for one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "G17" from the list.
4. Once connected, a voice prompt will confirm successful pairing.

Image 3.2: One-Step Pairing. A smartphone screen displays the Bluetooth settings, with "G17" listed as a discoverable and connected device, demonstrating the simple pairing process.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Earbuds

The GNMN earbuds feature flexible earhooks and multiple ear tip sizes (S, M, L) to ensure a comfortable and secure fit, especially during physical activity.

- Choose the ear tip size that best seals your ear canal for optimal sound quality and comfort.
- Place the earbud in your ear and gently adjust the flexible earhook over your ear until it feels secure.

Image 4.1: Comfy & Secure Fit. This image illustrates a person wearing the earbuds, highlighting the flexible earhooks and button controls. Different ear tip sizes (S, M, L) are also shown, emphasizing customizable comfort.

4.2 Basic Controls

The earbuds feature intuitive button controls for easy management of audio and calls.

Action	Control
--------	---------

Action	Control
Play/Pause	Single press on either earbud button
Next Track	Double press right earbud button
Previous Track	Double press left earbud button
Volume Up	Press and hold right earbud button
Volume Down	Press and hold left earbud button
Answer/End Call	Single press on either earbud button during a call
Reject Call	Press and hold either earbud button during an incoming call
Activate Voice Assistant	Triple press on either earbud button

4.3 Sound Quality

The GNMN earbuds are engineered to deliver Hi-Fi sound quality, providing a rich and immersive audio experience across a frequency range of 20 Hz - 20,000 Hz.

Comfy & Secure Fit

Image 4.2: Hi-Fi Sound Quality. A cutaway diagram of an earbud highlights its internal audio components, illustrating the technology behind its high-fidelity sound output.

4.4 Battery Life

Enjoy extended listening with the GNMN earbuds. A single charge provides up to 8 hours of playback, and the charging case extends the total battery life to approximately 90 hours.

All-Day Battery Life

90 hrs
with charging case

8 hrs
single charge

Image 4.3: All-Day Battery Life. This graphic visually represents the impressive battery performance: 8 hours on a single earbud charge and up to 90 hours total with the charging case.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging contacts with a soft, dry, lint-free cloth. Remove ear tips and clean them with mild soap and water, ensuring they are completely dry before reattaching. Do not use alcohol or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight.
- **Battery Care:** To preserve battery health, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

6. TROUBLESHOOTING

If you encounter issues with your GNMN Wireless Earbuds, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	<ol style="list-style-type: none">1. Ensure earbuds are charged.2. Turn off and on Bluetooth on your device.3. Forget "G17" from your device's Bluetooth list and re-pair.4. Place earbuds back in the case, close, wait 5 seconds, then open again to reset pairing mode.
No sound from one or both earbuds	<ol style="list-style-type: none">1. Check volume levels on both earbuds and your connected device.2. Ensure earbuds are properly seated in your ears.3. Re-pair the earbuds with your device.4. Clean the charging contacts on the earbuds and inside the case.
Charging issues	<ol style="list-style-type: none">1. Ensure the USB-C cable is securely connected and the power source is active.2. If using wireless charging, ensure the case is correctly positioned on the charging pad.3. Clean the charging contacts on the earbuds and in the case.
Poor sound quality or disconnections	<ol style="list-style-type: none">1. Ensure your device is within the Bluetooth range (10 meters).2. Reduce interference by moving away from other electronic devices.3. Ensure earbuds are fully charged.4. Try different ear tip sizes for a better seal.
