Image: Detailed view of the tablet's side, highlighting the Micro SD card slot, 3.5mm headphone/microphone combo jack, and USB-C 2.0 port.

- **Micro SD Card Slot:** For expanding storage capacity.
- **Headphone/Microphone Combo Jack (3.5mm):** For audio output and input.
- **USB-C 2.0 Port:** For charging and data transfer.
- **Power Button:** Located on the side for turning the device on/off and screen lock.
- **Volume Buttons:** Located on the side for adjusting audio levels.
- **Front Camera:** For video calls and selfies.
- **Rear Camera:** For taking photos and videos.
- **Dual Stereo Speakers:** For audio output.

SETUP

1. Initial Charging

Before first use, fully charge your tablet using the provided USB Type-C charging cable and adapter. Connect the USB-C cable to the tablet's USB-C port and the adapter to a power outlet. The battery

indicator will show charging status.

2. Powering On/Off

- **To Power On:** Press and hold the Power button until the Lenovo logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options on the screen.
- **To Restart:** Press and hold the Power button, then select "Restart" from the options.

3. Initial Setup Wizard

Upon first power-on, the tablet will guide you through an initial setup process. Follow the on-screen prompts to:

- Select your language.
- Connect to a Wi-Fi network.
- Sign in with your Google account or create a new one.
- Set up screen lock and other security features.

4. Inserting a Micro SD Card (Optional)

To expand storage, you can insert a Micro SD card:

1. Ensure the tablet is powered off.
2. Locate the Micro SD card slot on the side of the tablet.
3. Use the provided Micro SD tray pin to gently eject the tray.
4. Place the Micro SD card into the tray with the gold contacts facing down.
5. Carefully reinsert the tray into the slot until it clicks into place.
6. Power on the tablet. You may be prompted to format the SD card for use.

OPERATING YOUR TABLET

Basic Navigation

The Lenovo Tab M8 Gen 4 uses a touch-based interface. Common gestures include:

- **Tap:** To select an item or open an app.
- **Swipe:** To scroll through screens or lists.
- **Pinch:** To zoom in or out on content.
- **Long Press:** To access contextual menus or move icons.

Display Features

The 8-inch HD display offers a clear viewing experience. It features:

- **TÜV Eye Care Certification:** Reduces harmful blue light emissions to protect your eyes during extended use.
- **Reading Mode:** Adjusts screen settings for a more comfortable reading experience, simulating paper.

Safer screen time

Keep young eyes safe from harmful blue light with a **TÜV Eye Care certified** display

Google Kids Space

Google Kids Space provides a curated environment with teacher-approved apps, books, and videos for children. To set up and manage Kids Space:

- Access Google Kids Space from the tablet's app drawer.
- Follow the on-screen instructions to create a child profile and link it to your Google account.
- Use the Google Family Link app on your own device to manage content, set screen time limits, and monitor activity for your child's profile.

Help your kids discover, create, play, and grow

Google Kids Space offers teacher approved educational content based on your child's unique interests

Audio and Battery

- **Dual Stereo Speakers:** Provide enhanced audio for media consumption.
- **Battery Life:** The tablet offers up to 16 hours of video playback on a single charge, suitable for extended use.

All day fun

With **16 hours of streaming power**, road trips just became more fun for the whole family

MAINTENANCE

Cleaning Your Tablet

- Use a soft, lint-free cloth to clean the screen and body of the tablet.
- For stubborn smudges, slightly dampen the cloth with water or a screen-cleaning solution.
- Avoid using harsh chemicals, abrasive materials, or excessive moisture.

Software Updates

Regular software updates are released to improve performance, add features, and enhance security. Ensure your tablet is connected to Wi-Fi and has sufficient battery charge before performing updates. Lenovo provides up to three years of security updates for this model.

Accidental Damage Protection

The tablet may be eligible for accidental damage coverage through Premium Care, offering peace of mind against unforeseen incidents. Refer to your warranty documentation for details on coverage and how to utilize it.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Lenovo Tab M8 Gen 4.

Tablet Not Turning On

- Ensure the battery is charged. Connect the tablet to the charger for at least 30 minutes.
- Press and hold the Power button for 10-15 seconds to perform a forced restart.

Wi-Fi Connectivity Issues

- Check if Wi-Fi is enabled in Settings.
- Restart your Wi-Fi router and the tablet.
- Forget the network in tablet settings and reconnect.
- Ensure you are within range of the Wi-Fi signal.

Slow Performance or Lag

- Close unnecessary background applications.
- Clear cache for frequently used apps in Settings > Apps.
- Ensure sufficient free storage space.
- Restart the tablet periodically.
- Consider a factory reset as a last resort (back up data first).

Screen Not Responding

- Perform a forced restart by holding the Power button.
- Ensure the screen is clean and free of moisture or debris.
