Aroepurt HPAD6 H6

User Manual: Slim Case for Headwolf HPAD6 H6 12 Inch Tablet

Model: HPAD6 H6 Compatible Case

INTRODUCTION

This manual provides essential information for the proper use and care of your Aroepurt Slim Case, designed specifically for the Headwolf HPAD6 H6 12-inch Tablet. This case offers robust protection and versatile stand functionality, enhancing your tablet experience.

Figure 1: Aroepurt Slim Case (DWSJ Pattern)

This image displays the front of the tablet case, showcasing the unique DWSJ pattern with various animals and a natural landscape design. The case is shown in an upright position, highlighting its slim profile.

SETUP AND INSTALLATION

Follow these steps to correctly install your Headwolf HPAD6 H6 tablet into the Aroepurt Slim Case:

1. **Prepare the Tablet:** Ensure your Headwolf HPAD6 H6 tablet is clean and free of dust or debris.
2. **Align the Tablet:** Carefully align your tablet with the case, ensuring the camera, ports, and buttons match the cutouts on the case.
3. **Insert Corners:** Gently push each of the four corners of the tablet into the protective corner holders of the case. The case features **thickened anti-drop corner protectors** designed to minimize the risk of drop damage.
4. **Secure the Tablet:** Ensure the tablet is fully seated and secure within the case. The case's design, utilizing a voltage process, ensures a snug fit while maintaining a thin and light profile.
5. **Close the Cover:** Close the front cover. The **side magnets** will automatically engage, keeping the cover securely closed for easier use and protection.

ALL-OVER PROTECTION

Goes into every side & corner

Device ports, speakers, buttons all work fine

Slim & Lightweight

Figure 2: All-Over Protection and Slim Design

This image illustrates the reinforced corners of the case, emphasizing its all-over protection. It also highlights the slim and lightweight design, ensuring the tablet remains portable.

OPERATING INSTRUCTIONS

The Aroepurt Slim Case is designed for both protection and functionality. Here's how to utilize its features:

- **Stand Functionality:** The tablet can be used in a standing position by folding the front cover. The built-in magnets bolster different positions, allowing for both a *viewing angle* (ideal for watching videos) and a *typing angle* (suitable for typing or drawing).
- **Secure Closure:** The side magnets ensure the cover remains closed when not in use, protecting your screen from scratches and impacts.
- **Access to Ports and Buttons:** The case is precisely cut to allow full access to all device ports, speakers, and buttons without needing to remove the tablet from the case.
- **Pattern Durability:** The exquisite inkjet pattern is designed to remain bright for a long time without fading, maintaining the aesthetic appeal of your case.
- **Important Note:** Please be aware that this case **does not include a keyboard position** and is not designed to accommodate a keyboard.

Ergonomic Structure

Built-in magnets bolster different positions.

Figure 3: Ergonomic Stand Positions

This image demonstrates the versatility of the case, showing how it can be folded to create stable viewing and typing angles for the tablet, supported by built-in magnets.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Aroepurt Slim Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as

these can damage the material and the inkjet pattern.

- **Stain Removal:** For stubborn stains, use a mild soap solution on a cloth and gently rub the affected area. Rinse with a clean, damp cloth and allow to air dry completely.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture, as this may cause material degradation or fading of the pattern.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your Aroepurt Slim Case, consider the following common solutions:

- **Case Does Not Fit Tablet:**
 - Ensure you have the correct model of tablet. This case is specifically designed for the**Headwolf HPAD6 H6 12-inch Tablet**.
 - Verify the tablet is inserted correctly, aligning all corners and edges with the case's frame.
- **Stand Functionality is Unstable:**
 - Ensure the folds are properly creased and the magnetic points are fully engaged to create a stable triangular stand.
 - Place the tablet on a flat, stable surface.
- **Cover Does Not Stay Closed:**
 - Check if any foreign objects are preventing the magnetic closure from engaging.
 - Ensure the tablet is fully seated within the case, as misalignment can prevent proper closure.

If these solutions do not resolve your issue, please refer to the Support section for further assistance.
