3. Setup and Assembly

Assembly of the HOMCOM Storage Ottoman Bench is required and straightforward. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the parts list (not provided in this manual, refer to your product packaging) are present and undamaged.
2. **Attach Legs:** Locate the four rubberwood legs. Align each leg with the pre-drilled holes on the

bottom corners of the ottoman base. Securely screw each leg into place. Ensure they are tightened firmly but do not overtighten.

3. **Position Ottoman:** Once the legs are attached, carefully turn the ottoman upright and place it in your desired location.

4. Operating Instructions

The HOMCOM Storage Ottoman Bench is designed for ease of use and versatility.

Using the Storage Compartment:

- To access the storage, gently lift the upholstered top. The lid is equipped with hinges that allow for smooth opening and closing.
- Place items such as blankets, pillows, books, or other household clutter inside the compartment.
- To close, gently lower the lid until it rests securely on the base.

5. Maintenance

Proper care will extend the life and appearance of your ottoman.

- **Cleaning:** For general cleaning, wipe the fabric with a clean, damp cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the fabric and legs with a soft, dry cloth.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Inspection:** Periodically check the tightness of the leg screws and other hardware. Tighten if necessary.

6. Troubleshooting

If you encounter any issues with your ottoman, refer to the following common solutions:

- **Ottoman feels wobbly:** Ensure all four legs are securely tightened. Check that the ottoman is

placed on a level surface.

- **Lid does not close properly:** Check for any obstructions inside the storage compartment or along the hinge mechanism. Ensure the hinges are properly aligned and secured.
- **Unusual odors:** New furniture may have a slight odor upon unpacking. Allow the ottoman to air out in a well-ventilated area for a few days.

If problems persist, please contact HOMCOM customer support for assistance.
