4. SETUP

4.1. Inserting SIM Cards and MicroSD Card

The DOOGEE Blade 10 Ultra supports dual SIM cards and a microSD card for expanded storage. Locate the SIM tray on the side of the device. Use the provided SIM ejector tool to open the tray. Carefully place your Nano-SIM cards and/or microSD card into the designated slots, ensuring correct orientation. Close the tray securely.

4.2. Initial Power On and Setup Wizard

Press and hold the Power button until the DOOGEE logo appears. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, Google account login, and security settings (Face ID, Fingerprint Recognition, PIN/Pattern).

5. OPERATING INSTRUCTIONS

5.1. Unlocking Your Device

The Blade 10 Ultra offers multiple unlocking methods:

- **Side Fingerprint Recognition:** The fingerprint sensor is integrated into the side power button. Register your fingerprints in the Security settings for quick and secure unlocking (0.19s response speed, 508DPI scanning resolution, 360° identification angle).
- **Face Recognition:** Set up Face ID for instant access by simply looking at your phone.
- **PIN/Pattern/Password:** Standard Android unlocking methods.

Video: Overview of the DOOGEE Blade 10 series, emphasizing its ruggedness and reliability.

5.4. Connectivity

The device offers comprehensive connectivity options:

- **Wi-Fi:** Supports dual-band Wi-Fi for fast and stable internet connection.
- **Cellular:** Unlocked for all carriers, supporting 4G networks.
- **NFC:** For contactless payments and data transfer.
- **GPS:** For accurate navigation and location services.

5.5. Digital Toolkit

The Blade 10 Ultra includes a useful digital toolkit with various utility applications:

- Compass
- Sound Meter
- Pic Hanging
- Gradienter
- Weight Measure
- Protractor
- Plumb Bob
- Magnifier
- Alarm Bell

6. DURABILITY AND CARE

The DOOGEE Blade 10 Ultra is built to be rugged, featuring IP68, IP69K, and MIL-STD-810H certifications, making it highly resistant to water, dust, and drops.

- **IP68:** Water and dust resistant.
- **IP69K:** Resistant to high-pressure, high-temperature water jets.
- **MIL-STD-810H:** Military standard for durability against drops, shocks, and extreme temperatures.

7. MAINTENANCE

- Cleaning:** Use a soft, damp cloth to clean the device. Avoid harsh chemicals or abrasive materials.
- Software Updates:** Regularly check for and install system updates to ensure optimal performance and security.
Go to **Settings > System > System update**
- Battery Care:** To prolong battery life, avoid extreme temperatures and do not fully discharge the battery frequently.

8. TROUBLESHOOTING

Problem	Possible Solution
Device not powering on	Ensure the battery is charged. Connect to a charger for at least 10 minutes. If still unresponsive, perform a forced restart by holding the Power button for 10-15 seconds.
Poor network signal	Check if SIM card is properly inserted. Move to an area with better network coverage. Restart the device.
Apps crashing or freezing	Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the device. Update the app or reinstall it.
Fingerprint sensor not working	Ensure your finger is clean and dry. Re-register your fingerprints in Settings > Security.
Charging port flap issue	The charging port is covered by a rubber cap for waterproofing. Ensure it is fully opened when charging and securely closed afterwards. Handle with care to prevent damage.

9. SPECIFICATIONS

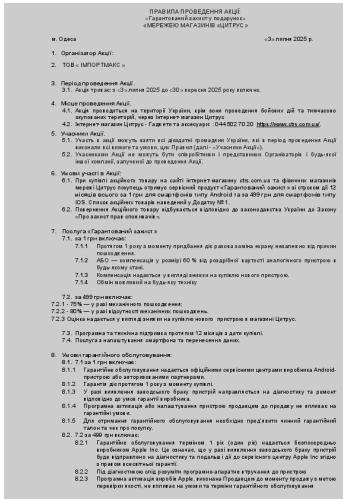

Feature	Specification
Model	Blade 10 Ultra
