SAFETY INFORMATION

- Do not expose the earbuds or charging case to extreme temperatures.
- Avoid dropping or applying excessive force to the device.

- Keep away from water and moisture, except for the IPX4 rating for splashes and sweat. Do not submerge.
- Do not attempt to disassemble or repair the device yourself. Contact authorized service personnel.
- Use only approved chargers and cables.
- Prolonged listening at high volume levels may cause hearing damage.

PACKAGE CONTENTS

Verify that all items are present in your package:

- Vieta Pro Double True Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)
- Multiple sizes of ear tips (typically S, M, L)

PRODUCT OVERVIEW

The Vieta Pro Double earbuds are designed for comfort and high-quality audio, featuring Active Noise Cancellation (ANC) and a Transparency Mode. They come with a compact charging case for extended battery life.

Image: The Vieta Pro Double True Wireless Earbuds and their charging case, presented against a light blue and beige background. The earbuds are shown outside the open case, highlighting their sleek design.

Key Features:

- Bluetooth 5.4 for stable connectivity.
- Active Noise Cancellation (ANC) up to -25 dB.
- Transparency Mode for environmental awareness.
- Up to 33 hours of total battery life with charging case.
- IPX4 water resistance (splash and sweat proof).
- Integrated touch controls.
- Dual microphones with Environmental Noise Cancellation (ENC) for clear calls.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The indicator light on the charging case will show the charging status. Refer to the LED indicator section for details.
4. Once fully charged, disconnect the charging cable.

Image: An overhead view of the open Vieta Pro Double charging case, showing the two compartments for the earbuds and the gold-colored charging pins at the bottom of each slot.

2. Bluetooth Pairing

To connect your earbuds to a device:

1. Open the charging case. The earbuds will automatically enter pairing mode (or manually put them into pairing mode if needed, usually by holding a button or touch sensor).
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "Vieta Pro Double" from the list.
4. Once connected, a confirmation sound or indicator light will confirm successful pairing.

OPERATING INSTRUCTIONS

Wearing the Earbuds

Choose the ear tips that provide the best seal and comfort for optimal sound quality and noise cancellation. Gently insert the earbuds into your ear canal and twist slightly to secure them.

Touch Controls

The Vieta Pro Double earbuds feature intuitive touch controls on each earbud. Specific functions may vary slightly, but common controls include:

- **Single Tap:** Play/Pause music, Answer/End call.
- **Double Tap (Left/Right):** Previous/Next track.
- **Triple Tap (Left/Right):** Volume Up/Down.
- **Long Press:** Activate Voice Assistant, Switch between ANC/Transparency/Normal modes.
- **Reject Call:** Long press during an incoming call.

Active Noise Cancellation (ANC) and Transparency Mode

Your earbuds are equipped with ANC to reduce ambient noise and Transparency Mode to allow you to

hear your surroundings.

- **ANC (-25 dB):** Reduces external noise, ideal for travel or noisy environments.
- **Transparency Mode:** Amplifies ambient sounds, useful for conversations or being aware of traffic.
- **Switching Modes:** Typically activated by a long press on one of the earbuds. Refer to the specific touch control diagram in your quick start guide for exact instructions.

Image: A close-up of a white Vieta Pro Double earbud with a graphic representation of sound waves, illustrating the Active Noise Cancellation (ANC) feature.

Making and Receiving Calls

The earbuds feature two microphones with Environmental Noise Cancellation (ENC) for clear call quality.

- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud during an incoming call.

MAINTENANCE

Cleaning

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.

- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently remove ear tips and clean them with water and mild soap if necessary. Ensure they are completely dry before reattaching.
- Clean the charging contacts on both the earbuds and the case regularly with a dry cotton swab to ensure proper charging.

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing with device.	<ul style="list-style-type: none"> • Ensure earbuds are charged. • Turn off and on Bluetooth on your device. • Forget "Vieta Pro Double" from your device's Bluetooth list and try pairing again. • Place earbuds back in the case, close, wait 5 seconds, then open to re-enter pairing mode.
Only one earbud is working.	<ul style="list-style-type: none"> • Ensure both earbuds are charged. • Place both earbuds in the charging case, close the lid, then open it again. • Try resetting the earbuds (refer to the quick start guide for specific reset instructions).
Earbuds not charging.	<ul style="list-style-type: none"> • Check if the charging cable is securely connected to both the case and the power source. • Ensure the charging contacts on the earbuds and inside the case are clean and free of debris. • Try a different USB cable or power adapter.
Poor sound quality or intermittent connection.	<ul style="list-style-type: none"> • Ensure the earbuds are within the Bluetooth range of your device. • Reduce interference by moving away from other wireless devices. • Check for obstructions between your device and the earbuds. • Ensure ear tips provide a good seal.
