BABELIO DB17

BABELIO DB17 Mini Portable White Noise Sound Machine with Night Light

Instruction Manual

1. PRODUCT OVERVIEW

The BABELIO DB17 is a compact and portable white noise sound machine designed to create a soothing environment for improved sleep and relaxation. It features 15 non-looping sounds, a night light with adjustable brightness, and convenient timer and memory functions. Its small size makes it ideal for home use, office, travel, or camping.

Pocket Size

15 Smoothing Sounds

Image 2: Visual representation of the 15 available smoothing sounds, categorized into 3 fan sounds, 3 white noise options, and 9 nature sounds.

2. SETUP AND INITIAL USE

Before first use, ensure the device is fully charged using the provided USB-C cable. The charging port is located on the side of the unit.

2.1 Charging the Device

- Connect the USB-C cable to the charging port on the device.
- Connect the other end of the cable to a compatible USB power adapter (not included).

- The indicator light will show charging status.

2.2 Powering On/Off

- To power on, long press the power button located on the bottom of the device for 2 seconds.
- To power off, long press the power button again for 2 seconds.

3. OPERATING INSTRUCTIONS

3.1 Sound Selection

The device offers 15 non-looping sounds, including white noise, pink noise, brown noise, fan sounds, rain, waves, insects, campfire, birds, and streams.

- To switch to the next sound, long press the '+' button for 2 seconds.
- To switch to the previous sound, long press the '-' button for 2 seconds.

3.2 Volume Adjustment

- To increase volume, short press the '+' button.
- To decrease volume, short press the '-' button.
- The device has 16 levels of sound adjustment.

3.3 Timer Function

The device includes a timer function to automatically turn off after a set duration.

- Short press the timer button (clock icon) to cycle through timer options: 30 minutes (white light), 60 minutes (blue light), or continuous play (green light).

3 Timer Settings

Image 3: The sound machine illustrating its three timer settings: 30 minutes, 60 minutes, and continuous play for uninterrupted use.

3.4 Night Light Function

The portable sound machine features a small and useful night light with adjustable brightness.

- To turn on/off the night light, short press the light bulb icon button.
- To adjust brightness, short press the light bulb icon button again to cycle through 3 levels of warm night light.

3.5 Memory Function

The noise maker has a memory function that automatically remembers your previous sound, volume, and timer settings when turned off and on again.

4. MAINTENANCE

- Clean the device with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- Keep the device away from water and excessive moisture.
- Store in a cool, dry place when not in use for extended periods.

5. TROUBLESHOOTING

5.1 Device Not Turning On

- Ensure the device is fully charged. Connect to a power source and allow it to charge for at least 30 minutes before attempting to power on again.
- Verify that the power button is long-pressed for the required 2 seconds.

5.2 No Sound Output

- Check the volume level using the '+' button to increase it.
- Ensure the device is not in a paused state (if applicable, though this model does not have a pause function).
- Cycle through different sounds to ensure the selected sound is active.

5.3 Night Light Not Working

- Short press the light bulb icon button to activate the night light.
- Cycle through brightness levels to ensure it's not set to the lowest or off state.
