4. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines to ensure safe use and longevity of your desk:

- Always ensure that the total weight placed on the desk does not exceed **200 lbs (90.72 kg)**. Overloading can cause structural damage or collapse.
- Exercise caution when assembling and moving the desk due to its size and heavy components. It is recommended that **two people** assemble this desk.
- Keep the desk away from direct heat sources, open flames, and excessive moisture to prevent damage to the materials.
- Avoid placing heavy objects on the edges or corners of the desk to prevent tipping or damage.
- Always supervise children when they are near the desk to prevent accidents. The desk includes corner protectors for added safety.
- Ensure all screws and fasteners are securely tightened before use and periodically check for any loosening.

5. SETUP & ASSEMBLY

Your Tribesigns desk is designed for straightforward assembly. All necessary tools and a detailed assembly guide are included in the package. Please follow the step-by-step instructions provided in the included guide.

5.1. Before You Begin

- **Unpack Carefully:** Open the packaging and lay out all components on a soft, clean surface (e.g., carpet or blanket) to prevent scratches.
- **Verify Parts:** Compare the contents of the package with the parts list in the assembly guide to ensure all pieces and hardware are present.
- **Tools:** The necessary tools (e.g., Allen wrench) are provided. An electric drill may expedite the process but use with caution to avoid overtightening.
- **Assistance:** Assembly is recommended for two people due to the size and weight of the desk components.

5.2. Assembly Tips

- **Do Not Overtighten:** Initially, finger-tighten all screws. Once all components are in place and aligned, gradually tighten all fasteners securely. This allows for minor adjustments during assembly.
- **Align Panels:** The desktop consists of two panels. Ensure they are perfectly aligned before fully tightening the connecting hardware to minimize any seam discomfort.
- **Adjustable Foot Pads:** Once assembled, adjust the foot pads at the bottom of each leg to compensate for uneven flooring.
- **Corner Protectors:** Apply the included rubber corner protectors to the desk corners for enhanced safety, especially in households with children.

7. MAINTENANCE

To keep your Tribesigns desk in optimal condition, follow these maintenance tips:

- **Cleaning:** Wipe the surface regularly with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the engineered wood surface.
- **Protection:** Use coasters for drinks and desk pads for heavy equipment or writing to protect the surface from scratches and heat.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the desk surface.

8. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:**

- Ensure all assembly screws are fully tightened.
- Adjust the foot pads at the bottom of each leg to compensate for uneven flooring.

- **Desktop Panels Not Aligned:**

- Loosen the screws connecting the two desktop panels slightly.
- Adjust the panels until they are flush, then retighten the screws.

- **Missing Parts:**

- Double-check the packaging and compare with the parts list in the assembly guide.
- Contact Tribesigns customer support for assistance (refer to Section 9).

9. WARRANTY & SUPPORT

The Tribesigns 78.7 Inch Extra Long Computer Desk comes with a **Limited Warranty**. For specific details regarding warranty coverage, terms, and conditions, please refer to the documentation included with your purchase or contact Tribesigns customer support.
