HOMCOM 835-135V80DR

HOMCOM 3-Piece Bar Table and Chairs Instruction Manual

Model: 835-135V80DR

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety information before assembling or using this product. Failure to follow these instructions may result in injury or product damage.

- Always assemble according to the provided instructions.
- Do not exceed the weight limit of 264 lbs for the stools and 132 lbs for the table.
- This product is intended for adult use and may not be suitable for children due to the high seat height and potential tip-over risks.
- Keep the area around the table and chairs clear of obstacles to prevent tip-over.
- Always supervise children when they are near the table and chairs.

2. PRODUCT OVERVIEW AND FEATURES

The HOMCOM 3-Piece Bar Table and Chairs set is designed for small spaces, offering a functional and stylish dining solution. This set includes one rectangular bar table and two matching bar stools.

Image 2.1: The complete HOMCOM 3-Piece Bar Table and Chairs set in an oak finish.

Image 2.2: The bar table and stools neatly tucked into a small kitchen area.

Key Features:

- **Space-Saving Design:** The set includes a rectangular bar table and two matching barstools. Stools can be stored under the table when not in use, ideal for compact living spaces.
- **Comfortable Bar Stools:** Features tall, high-back stools with built-in footrests for enhanced comfort during use.
- **Durable Construction:** Made with high-quality MDF (Medium-Density Fiberboard) tops and a galvanized steel frame, ensuring stability and longevity.
- **Easy to Clean:** The particle board table top is wrapped with a melamine sticker, allowing for easy cleaning with a damp cloth.
- **Versatile Use:** Suitable for creating a breakfast nook, a small dining area, or an additional surface in various rooms.

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please ensure all parts are present before beginning assembly. It is

recommended to assemble on a soft, clean surface to prevent scratching.

Required Tools (Not Included):

- Phillips head screwdriver
- Allen wrench (often included with hardware, check packaging)

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the parts list in your packaging to ensure everything is accounted for.
2. **Assemble Table Frame:** Connect the table legs and support bars using the provided screws and tools. Do not fully tighten screws until the entire frame is assembled.
3. **Attach Table Top:** Secure the table top to the assembled frame. Ensure it is aligned correctly before tightening all screws.
4. **Assemble Stool Frames:** For each stool, connect the legs, seat supports, and footrests. Again, do not fully tighten screws initially.
5. **Attach Stool Seats and Backrests:** Secure the seat and backrest components to the stool frames.
6. **Final Tightening:** Once all components are loosely assembled, place the table and stools on a level surface. Systematically tighten all screws and bolts. Avoid over-tightening.

Image 3.2: The table surface, indicating where the top attaches to the frame.

4. OPERATING INSTRUCTIONS

This bar table and chairs set is designed for general indoor use as a dining or casual seating area.

- **Placement:** Position the table and chairs on a flat, stable surface to prevent wobbling.
- **Weight Distribution:** Distribute weight evenly on the table surface. Avoid placing heavy objects on the edges.
- **Stool Usage:** Use stools for seating only. Avoid standing on them or using them as step stools.
- **Space Saving:** When not in use, slide the stools completely under the table to maximize floor space.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your HOMCOM bar table and chairs.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

- **Spills:** Clean up spills immediately to prevent staining, especially on the table surface.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperatures and humidity, which can cause warping or fading.

6. TROUBLESHOOTING

If you encounter any issues with your bar table and chairs, please refer to the following common solutions:

- **Wobbling Table/Stools:**
 - Ensure all screws and bolts are securely tightened.
 - Verify the product is placed on a level surface. Adjust floor glides if present.
- **Difficulty during Assembly:**
 - Review the assembly instructions carefully, paying attention to part orientation.
 - Do not fully tighten screws until all components are loosely fitted.
- **Damaged or Missing Parts:**
 - Contact HOMCOM customer support with your model number and a description of the issue.
