

C0449

# Generic Spinosaurus Building Block Model C0449 Instruction Manual

Model: C0449

## INTRODUCTION

Thank you for choosing the Generic Spinosaurus Building Block Model C0449. This set allows you to construct a detailed Spinosaurus dinosaur model using over 2000 high-quality building bricks. Designed for enthusiasts aged 15 and up, this model provides an engaging and rewarding building experience. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable process.

## SAFETY INFORMATION

### WARNING:

- This product contains small pieces and is not suitable for children under 3 years of age due to choking hazards.
- Adult supervision is recommended during assembly, especially for younger builders within the recommended age range.
- Keep all packaging materials away from children.

## SETUP AND ASSEMBLY

This building block set requires complete assembly. The process involves connecting numerous individual bricks to form the final Spinosaurus model. Please follow the detailed step-by-step instructions provided in the separate instruction manual included in your product box.

- Unpack the Box:** Carefully open the product box and remove all contents, including the brick bags and the dedicated instruction manual.
- Organize Components:** Sort the building bricks by color, size, or type as suggested in the included manual. This will significantly aid in the assembly process.
- Follow Instructions:** Refer to the comprehensive instruction manual for detailed, illustrated steps on how to assemble your Spinosaurus model. Each step is designed to guide you through the construction process.
- Verify Compatibility:** The bricks in this set are compatible with other major building block brands, allowing for potential integration with existing collections if desired.

Image: The fully assembled Spinosaurus model, showcasing its intricate design and impressive size. The model measures approximately 72cm (28.35 inches) in length and 31cm in height.

## DISPLAYING YOUR MODEL

---

Once assembled, your Spinosaurus model is ready for display. Choose a stable, flat surface away from direct sunlight and extreme temperatures to preserve the integrity of the bricks and colors.

- **Placement:** Position the model where it can be admired without being easily knocked over.
- **Interaction:** While the model is robust, avoid excessive force or rough handling to prevent pieces from detaching.

## MAINTENANCE

---

To keep your Spinosaurus model in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** If disassembling for storage, keep all bricks in a sealed container to prevent loss and protect them from dust.

- **Avoid Chemicals:** Do not use harsh chemicals or abrasive cleaners, as these can damage the plastic bricks and their colors.

## TROUBLESHOOTING

Should you encounter any issues during assembly or with your completed model, please refer to the following common solutions:

- **Missing Pieces:** If you find that pieces are missing from your set, first double-check all packaging materials and the surrounding area. Sometimes small pieces can be overlooked. If pieces are still missing, please contact the manufacturer or seller for assistance.
- **Difficulty Connecting Bricks:** Ensure that bricks are aligned correctly before applying pressure. Some connections may require a firm push. If a brick consistently fails to connect, check for any deformities.
- **Model Instability:** Review the assembly steps for the section that appears unstable. Ensure all bricks are firmly pressed together and correctly oriented according to the manual.

## SPECIFICATIONS

Feature	Detail
Model Number	C0449
Number of Pieces	2000+
Product Dimensions (L x W x H)	18.11 x 4.3 x 13.39 inches (approx. 46cm x 11cm x 34cm)
Item Weight	5.18 pounds
Recommended Age	15 - 20 years
Manufacturer	Guangdong Woma Animation Toys Co.,Ltd
