## MILEFA BCY03AB

# MILEFA 4-Tier Rolling Bar Cart (Model BCY03AB) Instruction Manual

Brand: MILEFA | Model: BCY03AB

## 1. INTRODUCTION

---

Thank you for choosing the MILEFA 4-Tier Rolling Bar Cart. This versatile serving cart is designed to provide ample storage for your beverages and glassware while adding a touch of elegance to your home. Its robust construction and thoughtful design make it suitable for various settings, including dining rooms, living rooms, kitchens, and outdoor areas. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure optimal use and longevity of your product.

## 2. SAFETY INFORMATION

---

- Do not exceed the maximum recommended weight of 75 pounds (approximately 34 kg) on the entire cart.
- Use caution when moving the cart on uneven surfaces to prevent tipping and potential damage to items or injury.
- Ensure all screws and connections are securely tightened before use and periodically check for looseness.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Metal frame components (labeled for easy assembly)
- Wooden shelves
- Wine rack and glass holder components
- Four swivel casters (two with brakes)
- Assembly hardware (screws, wrench)
- Instruction manual

## 4. SETUP AND ASSEMBLY

---

Assembly is straightforward and requires no special tools beyond what is provided. Follow these steps carefully:

1. **Attach Casters to Base:** Begin by attaching the four swivel casters to the bottom frame of the cart. Ensure the two casters with brakes are positioned on the same side for easy locking.

Image: A close-up view of a caster wheel being screwed into the metal frame of the bar cart.

2. **Assemble Lower Frame:** Connect the vertical metal bars to the base frame, ensuring they are oriented correctly according to the provided diagrams.
3. **Install Lower Shelf:** Place the first wooden shelf onto the designated supports on the lower frame. Secure it with the provided screws.
4. **Assemble Middle Section:** Continue building the frame upwards, adding the next set of vertical bars and the middle shelf. Integrate the wine rack component as shown in the instructions.
5. **Install Glass Holder:** Attach the glass holder to the underside of the top shelf or the designated frame section.

Image: A close-up of wine glasses hanging neatly from the integrated glass holder, demonstrating its function.

6. **Complete Top Frame and Shelf:** Attach the final vertical bars and the top shelf. Secure all connections.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws to ensure stability. Do not overtighten.

## 5. OPERATING INSTRUCTIONS

---

The MILEFA 4-Tier Rolling Bar Cart is designed for convenient use and storage. Here's how to operate its key features:

- **Moving the Cart:** The four swivel casters allow for 360-degree rotation, making it easy to move the cart around your home.
- **Locking the Wheels:** Two of the casters are equipped with brakes. To lock the cart in place, press down on the lever of these two casters until they click into the locked position. To unlock, lift the lever.

Image: A close-up of one of the bar cart's caster wheels, showing the 360-degree swivel and the locking mechanism engaged.

- **Storing Items:**

- Use the integrated wine rack to store wine bottles horizontally, which helps keep corks moist.
- Hang wine glasses or other stemware from the glass holders for easy access and display.
- The open shelves are suitable for liquor bottles, ice buckets, shakers, and other bar accessories. The fence design on each tier helps prevent items from falling during movement.

## 6. MAINTENANCE

---

To keep your MILEFA bar cart in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Retighten if necessary.
- **Weight Distribution:** Distribute items evenly across the shelves to maintain stability and prevent strain on the frame.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your bar cart, please refer to the following common solutions:

- **Cart is unstable/wobbly:**
  - Ensure all screws are fully tightened.
  - Verify that the shelves are correctly seated in their respective frames.
  - Check that the cart is on a flat, even surface.
- **Wheels not rolling smoothly:**
  - Check if the wheel brakes are engaged. Disengage them if necessary.
  - Clean any debris (hair, dust) that may be caught in the caster wheels.
- **Items falling off during movement:**
  - Ensure the fence design on each tier is correctly installed and intact.
  - Avoid sudden movements or excessive speed when transporting the cart.

If these steps do not resolve the issue, please contact customer service for further assistance.

## 8. SPECIFICATIONS

---

| Feature                       | Detail                                     |
|-------------------------------|--|
| Product Dimensions            | 12.6"D x 15.7"W x 41.73"H                  |
