HIGH GODO Super Sports Car Building Set Instruction Manual

Model: 13003
Brand: HIGH GODO

1. INTRODUCTION

Thank you for choosing the HIGH GODO Super Sports Car Building Set, Model 13003. This 1:14 scale model building kit provides an immersive and rewarding construction experience for enthusiasts aged 14 and above. Comprising 1466 precision-engineered pieces, this set allows you to build a detailed replica of a super sports car with realistic functions and an exquisite appearance. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable building process.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small components away from young children.
- Adult supervision is recommended during assembly, especially for younger builders.
- Ensure all pieces are securely connected to prevent accidental detachment.
- Dispose of packaging materials responsibly.

3. PACKAGE CONTENTS

Upon opening the box, please verify that all components are present:

- 1466 Building Blocks (sorted into numbered bags)
- 1 x Instruction Manual

If any parts are missing or damaged, please contact customer support for assistance.

4. ASSEMBLY INSTRUCTIONS

The HIGH GODO Super Sports Car Building Set is designed for an immersive building experience. Follow the detailed, step-by-step instructions provided in the included manual.

1. **Preparation:** Unpack all numbered bags and organize them according to the instruction manual's guidance. It is recommended to work on a clean, flat surface.
2. **Follow the Manual:** The instruction manual contains clear diagrams and steps. Proceed through each step sequentially. Do not skip steps.
3. **Piece Identification:** Each bag contains specific parts for different stages of the build. Refer to the manual to identify the correct pieces for each step.
4. **Secure Connections:** Ensure all building blocks are firmly pressed together to create stable connections.
5. **Detailed Design:** Pay close attention to the details, such as the left and right steering linkage, high simulation head shape, and aggressive tail wing, as these contribute to the model's realistic design.

6. MAINTENANCE

To ensure the longevity and appearance of your HIGH GODO Super Sports Car model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

7. TROUBLESHOOTING

If you encounter any issues during or after assembly, consider the following:

- **Missing Pieces:** Double-check all packaging materials and bags. If a piece is genuinely missing, contact customer support with the part number (if available) and the step number from the manual.
- **Loose Connections:** Ensure all blocks are pressed firmly together. Sometimes, a slight adjustment can secure a connection.
- **Assembly Errors:** Carefully review the previous steps in the instruction manual to identify any misplaced or incorrectly oriented pieces. Disassemble and reassemble the affected section if necessary.
- **Functional Issues:** If a feature like steering or an opening part is not working correctly, re-examine the assembly steps for that specific mechanism. Ensure all gears and linkages are correctly aligned and connected.
