Cuifati Mini Invisible Wireless Bluetooth Earbuds User Manual

Model: Cuifatiqxggz4csma

1. PRODUCT OVERVIEW

The Cuifati Mini Invisible Wireless Bluetooth Earbuds are designed for comfort and convenience, featuring Bluetooth 5.3 connectivity, smart touch controls, and a compact design suitable for various activities including sleep, work, and sports. These earbuds provide stable audio transmission and hands-free control.

Figure 1: Overview of key features including Bluetooth 5.3, touch control, charging case, compact size, sports use, and mini design.

Package Contents:

- 2 x Wireless Earbuds
- 1 x Charging Case
- 1 x Charging Cable

2. SETUP AND PAIRING

Initial Charging:

Before first use, fully charge the earbuds and the charging case. Connect the provided charging cable to the charging case and a compatible USB power source. The LED display on the charging case will indicate the battery level. A full charge typically takes approximately 2 hours.

24h long endurance Let the music run free

200mAh large capacity battery, comprehensive life 24 hours to listen to music games, wonderful

Figure 2: Earbuds in their charging case, illustrating the 24-hour total battery life with the case.

Bluetooth Pairing:

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, computer), go to Bluetooth settings and enable Bluetooth.
4. Search for available devices and select "Cuifatiqggz4csma" (or similar name) from the list.
5. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The earbuds feature Bluetooth 5.3 for stable and fast connections, with a transmission distance of up to 10 meters (32.81 feet).

Open the lid and connect Master/slave switchover is free

Single and double ears use seamless switching, feel free to pick up one can listen to stable transmission, not easy to break, how to use

3. OPERATING INSTRUCTIONS

Wearing the Earbuds:

These earbuds are designed to be mini and invisible, fitting comfortably within the ear canal. Insert each earbud gently into the corresponding ear (L for left, R for right) until it feels secure and comfortable. The bionic ear surface design ensures a natural fit, even when sleeping on your side, without causing pressure or discomfort.

SLEEP EARPHONE

Sleep on your side without pressing your ears Ultra-thin mini non-compression

Bionic ear surface design, naturally fit the
auricle side sleep does not feel pressure discomfort

Compatibility:

The earbuds are universally compatible with iOS, Android, and other Bluetooth-enabled devices, including mobile phones, tablets, computers, smart speakers, and televisions.

Figure 7: The earbuds are compatible with both iOS and Android operating systems.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Cuifati Mini Invisible Wireless Bluetooth Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or aerosol sprays.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage.
- **Avoid Moisture:** Keep the earbuds and charging case away from water, humidity, and extreme temperatures. They are not waterproof.
- **Charging:** Use only the provided charging cable or a certified equivalent. Avoid overcharging by disconnecting once fully charged.

5. TROUBLESHOOTING

If you encounter issues with your earbuds, try the following troubleshooting steps:

- **No Sound/Poor Sound Quality:**
 - Ensure earbuds are properly paired and connected to your device.
 - Check the volume level on both your device and the earbuds.
 - Make sure the earbuds are clean and free from debris.
 - Try re-pairing the earbuds with your device.

- **Earbuds Not Charging:**

- Verify the charging cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean.
- Try a different charging cable or power adapter.

- **Earbuds Not Pairing:**

- Ensure Bluetooth is enabled on your device.
- Make sure the earbuds are in pairing mode (open the charging case).
- Move the earbuds closer to your device.
- Forget the device from your phone's Bluetooth list and try pairing again.

- **Intermittent Connection:**

- Reduce the distance between the earbuds and your device.
- Avoid obstacles (walls, large objects) that may interfere with the Bluetooth signal.
- Minimize interference from other wireless devices.

If the issue persists after trying these steps, please contact customer support.
