## RuenTech T70

# RuenTech Silicone Watch Bands for Kuizil T70 Smart Watch

Instruction Manual

## 1. PRODUCT OVERVIEW

---

These RuenTech silicone watch bands are designed for compatibility with the Kuizil T70 1.91-inch smart watch. They are made from premium silicone rubber, offering durability and comfort for daily wear and various activities.

## 2. SETUP AND INSTALLATION

The watch bands feature quick-release spring bars for easy attachment and removal from your Kuizil T70 smart watch.

### 2.1 Attaching the Band

1. Locate the quick-release pin on one end of the watch band.
2. Insert one end of the pin into the lug hole on the watch casing.
3. Slide the quick-release lever to retract the pin, then align the other end of the pin with the opposite lug hole.
4. Release the lever, ensuring both ends of the pin are securely seated in the lug holes. Gently tug on the band to

confirm it is locked in place.

5. Repeat the process for the other half of the watch band.

## 2.2 Removing the Band

1. Locate the quick-release lever on the underside of the watch band where it connects to the watch casing.
2. Slide the lever to retract the pin.
3. Gently pull the band away from the watch casing.
4. Repeat for the other band half.

## 3. OPERATING AND ADJUSTMENT

The watch bands are designed for an adjustable fit to accommodate various wrist sizes.

### 3.1 Adjusting the Band Length

The band features multiple alternative holes and a metal tang buckle for length adjustment. To adjust:

1. Place the watch on your wrist.
2. Thread the end of the band through the buckle.
3. Insert the tang (pin) of the buckle into the desired hole on the band to achieve a comfortable and secure fit.
4. Secure the excess band length using the two silicone loops provided.

The band is designed to fit wrists with a circumference between 5.5 inches and 8.7 inches.

## 4. MAINTENANCE

Proper care will extend the life and appearance of your silicone watch bands.

### 4.1 Cleaning Instructions

1. Remove the watch band from your smart watch.
2. Wipe the band with a soft, damp cloth. For stubborn dirt, use a mild soap solution.
3. Rinse the band thoroughly with clean water to remove any soap residue.
4. Dry the band completely with a soft, dry cloth before reattaching it to your watch.

The silicone material is swim-ready and water-resistant, making it suitable for use during water activities and easy to clean.

## 5. TROUBLESHOOTING

---

### 5.1 Band Difficult to Install/Remove

- Ensure the quick-release pin is fully retracted when attempting to align it with the lug holes.
- Verify that the band size is correct for your Kuizil T70 smart watch.
- Check for any obstructions in the lug holes of the watch casing.

### 5.2 Band Does Not Fit Comfortably

- Experiment with different holes on the band to find the optimal fit. The band should be snug but not too tight.
- Confirm your wrist circumference is within the adjustable range of 5.5 to 8.7 inches.

## 6. SPECIFICATIONS

---
