bokilino A193+X367

bokilino 2-in-1 Universal Cup Holder Expander with Phone Mount

Model: A193+X367

1. Introduction

The bokilino 2-in-1 Universal Cup Holder Expander with Phone Mount is designed to enhance your driving convenience by providing both expanded drink storage and a secure, adjustable phone holder. This product ensures your devices and beverages are safely accessible without obstructing your view, making your journeys more comfortable and secure.

2. Product Features

- **2-in-1 Design:** Combines a cup holder expander with a phone mount, optimizing space in your vehicle.
- **Adjustable Base:** Features a triangular locking structure that expands from 2.56" to 3.94" in diameter, ensuring a secure fit in various vehicle cup holders (SUV, truck, RV, golf cart, etc.).
- **Enhanced Stability:** Designed to minimize shaking and wobbling, providing a stable platform for your phone and drinks.
- **360° Rotatable View:** The phone mount head rotates 360° for optimal viewing angles in both portrait and landscape orientations.
- **Adjustable Long Arm:** Extendable arm allows for customized height and positioning of your phone.
- **Large Water Bottle Compatibility:** The cup holder expander accommodates bottles and cups from 18-40 oz.
- **Removable Rubber Pad:** Bottom pad protects cups and reduces noise, also removable for larger bottles.
- **High-Temperature Climate Suitable:** Eliminates concerns about adhesive melting, keeping your dashboard clean and view unobstructed.
- **Friendly Cell Phone Holder:** Quick-release buttons on both sides fit smartphones up to 4.13" (10.5cm) wide, compatible with most iPhone and Android models.

3. Package Contents

- 1 x Cup Phone Holder Assembly
- 2 x U-shaped Cup Holder Inserts (different sizes)
- 1 x Removable Rubber Pad for Cup Holder Base

4. Setup & Installation

Follow these steps to properly install your bokilino 2-in-1 Universal Cup Holder Expander with Phone Mount:

1. **Assemble the Phone Mount:**
    - Pass the threaded ring through the ball joint of the phone holder.
    - Snap the ball joint into the groove on the back of the phone holder.
    - Tighten the threaded nut onto the back of the phone holder to secure it.
2. **Insert Cup Holder Expander into Vehicle:**
    - Select the appropriate U-shaped cup holder insert (if needed for smaller cups) and place it inside the main cup holder expander.
    - Place the cup holder expander base into your vehicle's cup holder.
    - Twist the knob at the base of the expander clockwise to expand the triangular locking structure until it fits snugly and securely in your vehicle's cup holder. Ensure it is tight and stable.
3. **Attach Phone Mount to Expander:**
    - Slide the assembled phone mount arm into the designated slot on the cup holder expander.
    - Adjust the height and angle of the phone mount arm using the adjustment knobs to your preferred viewing position.

Video 1: Demonstrates the installation process of the 2-in-1 Cup Holder Expander for Car, showing how to secure the base and attach the phone mount arm.

5. Operating Instructions

5.1 Using the Phone Mount

1. **Insert Phone:** Press the quick-release buttons located on both sides of the phone holder to open the arms. Place your smartphone into the holder and gently squeeze the arms inward until it securely grips your device.
2. **Adjust Viewing Angle:** The phone mount head features a 360° rotatable ball joint. Loosen the small knob behind the phone holder, adjust your phone to the desired portrait or landscape orientation, and then tighten the knob to lock it in place.
3. **Adjust Arm Position:** Use the adjustment knobs on the long arm to change the height and forward/backward position of your phone for optimal visibility and reach.

4. **Remove Phone:** Press the quick-release buttons on the sides of the phone holder to release your device.

5.2 Using the Cup Holder Expander

- Place your beverage (18-40 oz bottles/cups) into the expanded cup holder.
- If your cup is smaller, ensure the U-shaped inserts are in place to provide a snug fit.
- The removable rubber pad at the bottom helps secure smaller cups and reduces rattling. Remove it for larger bottles if necessary.

Video 2: Demonstrates the stability and adjustability of the phone holder, including how to insert and remove a phone, and adjust the arm and viewing angle.

6. Maintenance

- Clean the product regularly with a soft, damp cloth.

- Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.
- Ensure all knobs and joints are tightened periodically to maintain optimal stability.

7. Troubleshooting

- **Issue: Phone mount is wobbly.**
  Solution: Ensure the base is tightly secured in the vehicle's cup holder by twisting the knob clockwise until firm. Also, check that all adjustment knobs on the arm are tightened.
- **Issue: Cup holder is too loose for my drink.**
  Solution: Make sure the appropriate U-shaped cup holder inserts are placed inside the main cup holder to provide a snug fit for smaller beverages.
- **Issue: Phone does not fit in the holder.**
  Solution: The phone holder is compatible with smartphones up to 4.13" (10.5cm) wide. Ensure your phone's dimensions are within this range.
