## SAFETY INFORMATION

---

Your safety is paramount. Please adhere to the following guidelines:

- Do not exceed the weight capacity of **1000 lbs**.
- Exercise caution around sharp edges during assembly.
- Follow all assembly instructions carefully to prevent instability or injury.
- Be cautious of moving parts during use, particularly when adjusting or moving the frame.

## PRODUCT FEATURES

---

The GarveeHome Upholstered Canopy Bed Frame is designed for comfort and durability. Key features include:

- **Luxuriously Upholstered Canopy Bed:** Constructed from premium linen material and foam filling, providing a soft and comfortable surface.
- **Built to Last:** Crafted from solid pine wood and MDF, ensuring sturdiness and durability with a weight capacity of up to 1000 lbs.
- **Noise Reduction:** Features an EVA mute bar and soundproof velcro design to prevent noise from moving slats, ensuring a quiet and reliable sleep environment.
- **No Box Spring Needed:** Sturdy wooden slats support and extend the life of your mattress (latex, memory foam, or spring), eliminating the need for a box spring.
- **Easy Assembly:** Designed for quick setup.

## SETUP AND ASSEMBLY

The GarveeHome Canopy Bed Frame is designed for straightforward assembly. While specific step-by-step diagrams are typically included in the product packaging, here are general guidelines and helpful features:

- 1. Unpack Components:** Carefully unbox all parts and verify against the included parts list. Ensure no components are missing or damaged.
- 2. Prepare Workspace:** Clear an adequate space for assembly. It is recommended to assemble the bed frame in the room where it will be used.
- 3. Frame Assembly:** Follow the numerical or pictorial instructions provided in your product's specific manual to connect the main frame components, including the headboard, footboard, and side rails.
- 4. Canopy Post Installation:** Attach the four canopy posts securely to the main frame.
- 5. Slat Installation:** Position the wooden slats across the bed frame. The integrated *Velcro design* simplifies this step, ensuring slats are evenly spaced and secured. The *EVA mute bar* helps reduce noise.

6. **Mattress Placement:** Once the frame is fully assembled and stable, place your Queen size mattress directly onto the slats. A box spring is not required.

**Tip:** While assembly is designed to be easy, having a second person can significantly assist with holding larger components during initial setup.

## USAGE GUIDELINES

Once assembled, your GarveeHome Canopy Bed Frame is ready for use.

- **Mattress Compatibility:** This frame is designed for Queen size mattresses. Recommended mattress thickness is 8-14 inches.
- **Weight Distribution:** Ensure weight is distributed evenly across the bed surface. Avoid concentrating heavy loads

in one small area.

- **Canopy Use:** The canopy structure allows for hanging decorative elements like curtains or string lights. Ensure any hung items are lightweight and securely attached to prevent damage or injury.

## MAINTENANCE

To maintain the appearance and longevity of your bed frame:

- **Cleaning:** Wipe the frame with a dry cloth to remove dust. For upholstered areas, spot clean with a mild fabric cleaner if necessary, testing on an inconspicuous area first.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if any looseness is detected.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals on any part of the bed frame, as this may damage the finish or fabric.

## TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
<b>Squeaking Noises</b>	Loose bolts or slats shifting.	Ensure all bolts are securely tightened. Verify slats are properly seated and the mute bar is in place.
<b>Bed Frame Feels Unstable</b>	Incomplete or incorrect assembly.	Review the assembly instructions and ensure all connections are correctly made and tightened.
<b>Parts Missing or Damaged</b>	Shipping damage or packaging error.	Contact GarveeHome customer support immediately for replacement parts.
