KIEUIENK Digital Pet Electronic Game Machine User Manual

Model: B0D7BQ18PR

INTRODUCTION

The KIEUIENK Digital Pet Electronic Game Machine is an interactive virtual pet device designed for entertainment and fostering responsibility. It features multiple built-in game modes and a user-friendly interface, making it suitable for various age groups. Its compact design with smooth corners ensures durability and ease of handling.

Image: Front view of the KIEUIENK Digital Pet Electronic Game Machine in purple, featuring a screen, three control buttons (RESET, SELECT, DECIDE), and a keychain attachment. The device has a unicorn and cloud design.

Safety Information

This product is designed with child safety in mind, featuring smooth corners and durable PP material. No specific safety warnings beyond general electronic device handling are provided by the manufacturer. Always supervise young children during use. Keep away from water and extreme temperatures.

What's in the Box

- 1 x Electronic Pet Game Machine (Purple)
- 1 x Keychain attachment

SETUP

Battery Installation

The device is powered by batteries. To install or replace batteries:

1. Locate the battery compartment on the back of the device.
2. Use a small screwdriver (not included) to open the battery compartment cover.
3. Insert the required batteries (type and quantity typically indicated inside the compartment) ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Initial Power On

After battery installation, the device should power on automatically or by pressing the 'RESET' button. Follow on-screen prompts to set up your virtual pet.

OPERATING INSTRUCTIONS

Controls

The device features three primary control buttons:

- **RESET:** Used to restart the device or return to the main menu in some contexts.
- **SELECT:** Navigates through menu options or cycles through choices.
- **DECIDE:** Confirms a selection or performs an action.
- **CANCEL:** Used to exit a menu or cancel an action.

Image: A close-up view of the bottom portion of the digital pet device, clearly showing the 'RESET', 'SELECT', 'DECIDE', and 'CANCEL'

buttons.

Caring for Your Virtual Pet

Your virtual pet requires regular attention to thrive. Key activities include:

- **Feeding:** Provide food when your pet is hungry.
- **Playing:** Engage in mini-games to keep your pet happy and entertained.
- **Cleaning:** Clean up after your pet to maintain its health.
- **Discipline:** Address misbehavior to teach your pet good habits.
- **Medical Care:** Administer medicine if your pet falls ill.

Game Modes

The device includes multiple built-in game modes for extended entertainment. Use the 'SELECT' and 'DECIDE' buttons to navigate through the game menu and choose your preferred activity.

MAINTENANCE

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Remove batteries if the device will not be used for an extended period to prevent leakage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Low or dead batteries; incorrect battery installation.	Replace batteries; ensure correct polarity.
Screen is blank or frozen.	Software glitch; low battery.	Press the 'RESET' button; replace batteries.
Buttons are unresponsive.	Software glitch; physical obstruction.	Press the 'RESET' button; ensure buttons are not stuck.
