6. MAINTENANCE

To ensure the longevity and appearance of your DEVAISE Mobile File Cabinet, follow these maintenance guidelines:

- **Cleaning the Frame and Shelves:** Wipe the metal frame and engineered wood shelves with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.

- **Cleaning Fabric Drawers:** The fabric drawers are washable and stain-resistant. For minor spills, spot clean with a mild detergent and water. For deeper cleaning, the drawers can be removed and hand-washed or machine-washed on a gentle cycle. Allow them to air dry completely before reinserting.
- **Wheel Maintenance:** Periodically check the wheels for any debris or hair that might impede smooth movement. Clean as necessary.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
