HOMCOM 839-199V00CW

HOMCOM Swivel Recliner with Ottoman

Model: 839-199V00CW

Introduction

Thank you for choosing the HOMCOM Swivel Recliner with Ottoman. This upholstered recliner and footrest set is designed to provide comfort and relaxation in your living room, bedroom, or home office. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture.

Key features of your recliner include:

- **Adjustable Backrest:** Recline up to 135° to find your preferred position.
- **All-day Comfort:** Padded design with a high back, flared armrests, and soft PU leather upholstery.
- **360° Swivel Chair:** Allows for full rotation for convenience and interaction.
- **Quality Material:** Heavy-duty steel frame supporting up to 286 lbs for the chair and 132 lbs for the footrest.

Safety Information

Please read and understand all safety warnings before assembly and use.

- Do not exceed the maximum weight capacity of**286 pounds** for the recliner chair.
- Do not exceed the maximum weight capacity of**132 pounds** for the ottoman.
- Ensure proper assembly and follow all instructions carefully for safe operation of the reclining mechanism.
- Keep children and pets away from the chair during assembly and when operating the reclining function to prevent injury.
- Avoid standing on the chair or ottoman.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Recliner Chair (Backrest, Seat, Armrests, Base)

- Ottoman (Top, Base, Stem)
- Assembly Hardware (Screws, Connectors, Tools)
- Instruction Manual

Assembly Instructions

Assembly is required for this product. Please follow these steps carefully. It is recommended to have two people for assembly.

1. **Prepare the Seat:** Turn the seat upside down to easily access the areas for screw coupling. This will make it easier to insert the necessary connectors.
2. **Identify Armrests:** The two armrests are designated as "right" and "left." These designations correspond to your perspective when sitting in the chair.
3. **Attach Armrests:** Flip the chair to its left side to attach the left armrest. You may need to gently pull on the seat end to align the armrest with its groove. Repeat this process for the right armrest.
4. **Install Seat Stem Assembly:** Attach the seat stem assembly to the bottom of the recliner chair.
5. **Assemble Ottoman:** Attach the stem assembly to the ottoman top and then to the ottoman base.
6. **Final Check:** Ensure all screws are tightened and components are securely in place.

Figure 2: Product dimensions for the recliner and ottoman. Refer to this diagram for measurements during assembly and placement.

Operating Instructions

Your HOMCOM Swivel Recliner and Ottoman are designed for ease of use and maximum comfort.

Reclining Function

To recline the chair, locate the adjustment knob on the side of the chair. Turn the knob to loosen the mechanism, then lean back to your desired angle (up to 135°). Once you have found a comfortable position, turn the knob to tighten and lock the backrest in place. To return to an upright position, loosen the knob and gently push forward.

Figure 3: Adjustable backrest in action. The chair can recline up to 135 degrees for personalized comfort.

Swivel Function

The recliner chair features a 360° swivel base, allowing you to rotate freely without moving the entire chair. Simply apply gentle pressure with your feet or body to turn the chair in any direction.

Figure 4: 360° swivel base. The chair's base allows for complete rotation, enhancing versatility.

Using the Ottoman

The matching ottoman provides additional comfort for your legs and feet. Simply place your feet on the ottoman while seated in the recliner. The ottoman is designed to complement the recliner's height and style.

Maintenance

To ensure the longevity and appearance of your HOMCOM Swivel Recliner and Ottoman, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the PU leather upholstery.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.

- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Retighten if necessary.

Figure 5: Material and design details. This image shows the PU leather, thick padding, matching ottoman, and the round wrapped base, all contributing to the chair's comfort and stability.

Figure 6: Headrest detail. The padded headrest provides additional support and comfort.

Figure 7: Armrest detail. The flared armrests are thickly padded for enhanced comfort.

Troubleshooting

If you encounter any issues with your recliner, please refer to the following common solutions:

- **Recliner not locking:** Ensure the adjustment knob is fully tightened after selecting your desired recline angle. Check for any obstructions in the reclining mechanism.
- **Chair feels unstable:** Verify that all assembly hardware is securely tightened. Ensure the chair is placed on a flat, even surface.
- **Squeaking noises:** Apply a small amount of silicone-based lubricant to moving parts of the reclining mechanism if squeaking occurs. Avoid oil-based lubricants.

If the problem persists, please contact customer support for further assistance.
