KCO Lighting L1150-A

KCO Lighting 9.8" Milk Glass Pendant Light L1150-A Instruction Manual

Model: L1150-A

1. INTRODUCTION

Thank you for choosing the KCO Lighting 9.8" Milk Glass Pendant Light. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new lighting fixture. Please read these instructions thoroughly before beginning installation and retain them for future reference. This pendant light features a ribbed milk glass shade with a matte black canopy, offering a simple yet elegant aesthetic. It is designed for indoor use and can be installed on various ceiling types, including sloped, vaulted, and flat ceilings, thanks to its adjustable hanging cord.

2. IMPORTANT SAFETY INSTRUCTIONS

- Always turn off the power supply at the main circuit breaker before installation, cleaning, or replacing the bulb.
- Consult a qualified electrician if you are unsure about the installation process.
- Do not exceed the maximum wattage specified for the bulb.
- Handle glass components with care to prevent breakage.
- Ensure all connections are secure and properly insulated.
- This fixture is designed for indoor use only and is not water-resistant.

3. PACKAGE CONTENTS

Please check that all parts are included in the package:

- Pendant Light Fixture (including ribbed milk glass shade, matte black lamp body, and canopy)

- Mounting Hardware
- Instruction Manual

5. INSTALLATION GUIDE

Before You Begin: Ensure the power is turned off at the circuit breaker. It is recommended to have a second person assist with installation.

1. **Prepare the Mounting Surface:** Ensure the ceiling junction box is securely mounted and capable of supporting the fixture's weight.
2. **Attach Mounting Bracket:** Secure the mounting bracket to the junction box using the provided screws.
3. **Adjust Hanging Height:** The pendant light features an adjustable cord. Determine your desired hanging length. The excess cord can be stored within the canopy.

Image 5.1: Illustration of the adjustable hanging cord, allowing for various ceiling heights.

4. **Wire the Fixture:** Connect the fixture's wires to the corresponding household wires (typically black to black, white to white, and ground to ground) using wire nuts. Ensure all connections are tight.
5. **Secure the Canopy:** Carefully push the canopy up to the ceiling, covering the junction box and wiring. Secure it to the mounting bracket with the provided screws.
6. **Install the Bulb:** Screw an E26 base bulb (not included) into the socket. Do not exceed 60 watts.
7. **Install the Glass Shade:** Carefully attach the ribbed milk glass shade to the fixture according to the design.

Video 5.1: This video highlights the details of the pendant light, including the ribbed glass shade, black lamp body, and US standard canopy.

8. **Restore Power:** Turn the power back on at the circuit breaker.

6. OPERATING INSTRUCTIONS

Once installed, operate the pendant light using a standard wall switch. If a dimmable bulb and a compatible dimmer switch are used, the light's brightness can be adjusted. The fixture supports various E26 bulb types, including LED, CFL, and Incandescent, up to 60 watts.

7. CARE AND MAINTENANCE

- **Cleaning:** To clean the fixture, ensure the power is off. Wipe the metal parts with a soft, dry cloth. For the glass shade, use a soft, damp cloth with a mild glass cleaner if necessary, then dry thoroughly. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** Always turn off the power before replacing a bulb. Allow the old bulb to cool before removing it. Replace with an E26 base bulb, not exceeding 60 watts.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power, loose wiring, faulty bulb.	Check circuit breaker. Ensure all wire connections are secure. Replace bulb.
Light flickers.	Loose bulb, incompatible dimmer, faulty wiring.	Tighten bulb. Ensure dimmer switch and bulb are compatible. Check wiring connections.

Glass shade is damaged.	Accidental impact.	Contact customer support for a replacement.
